Limitation of Administrative Costs

Shiloh CUSD 1 – Edgar (SD 51/HD 102) / Expiration: 2017-18 school year

WM100-6414 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district raised the salary of the interim superintendent to align with and compare with other districts in the same county or area and retain the superintendent for continuity in its administration. The costs to raise the salary of the interim superintendent resulted in the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

Palos Heights SD 128 – Cook (SD 14/HD 27) / Expiration: 2017-18 school year

WM100-6416 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district special education director position was moved from half time to full time, there was an accounting change for the superintendent's salary due to prior year portion of salary being charged to an area not reported on the limitation worksheet, and an increase in medical insurance premiums for four district administrative positions. These three situations resulted in the district's budgeted administrative costs for FY 2018 exceeding those for FY 2017 by more than the 5 percent limitation.

Maine Twp HSD 207 – Cook (SD 28/HD 55) / Expiration: 2017-18 school year

WM100-6430 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district changed the special education compliance coordinator job from half time to full time, changed the athletic director position from a 10-month position to a 12-month position, and experienced a need for additional stock in the district bookstore. These three situations resulted in the district's budgeted administrative costs for FY 2018 exceeding those for FY 2017 by more than the 5 percent limitation.

Yorkville CUSD 115 – Kendall (SD 25/HD 50) / Expiration: 2017-18 school year **WM100-6435 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district added a new assistant director for student services to support its special education programs, increased the salary and benefit costs for a student services coordinator, hired an additional dean of students to support the middle school's growing enrollment, hired an interim administrative assistant to fill in for an employee on maternity leave, had an employee elect to take district-offered benefits, and received a one-time rebate due to changing from a fully insured plan to a partially self-funded insurance plan. These five situations resulted in the district's budgeted administrative costs for FY 2018 exceeding those for FY 2017 by more than the 5 percent limitation.

Rankin School District 98 – Tazewell (SD 46/HD 91) / Expiration: 2017-18 school year **WM100-6450**

– **Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district employed a retired administrator as a part-time district superintendent during the same time it was employing a full-time superintendent. This change resulted in an increase in the district's budgeted administrative costs for the 2015, 2016, and 2017 school years. The district's costs for FY 2018 exceeded those for FY 2017 by more than the 5 percent limitation.

Century CUSD 100 – Pulaski (SD 59/HD 118) / **Expiration: 2017-2018 school year WM100-6455 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district made a payout of unused vacation days to the outgoing superintendent. This was a contractual obligation that was one-time, unexpected, and unavoidable and caused the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

Rhodes SD 84.5 – Cook (SD 39/HD 78) / **Expiration: 2017-18 school year WM100-6456 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district states the actual central administrative costs incurred in FY 2017 were lower than anticipated. For this reason, the district's budgeted administrative costs for FY 2018 exceeded those for FY 2017 by more than the 5 percent limitation.

Harvard CUSD 50 – McHenry (SD 32/HD 63) / **Expiration: 2017-18 school year WM100-6464 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district hired a full-time director of special services for the 2017-18 school year following the retirement of the district superintendent who also served in this role. This addition caused the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

Peotone Community SD 207-U – Will/Kankakee (SD 40/HD 79) / **Expiration: 2017-18 school year WM100-6472 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district hired a full-time business manager in April 2017. Previously, the district had a business manager with a reduced contract, salary, and number of employment days. This change caused the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

St. George CCSD 258 – Kankakee (SD 17/HD 34) / **Expiration: 2017-18 school year WM100-6488 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district exceeded the limitation due to the previous year's administrative costs being lower than expected due to a period in the middle of the superintendent's contract in which the normal disability insurance coverage was not paid and due to the resignation of the superintendent's administrative assistant. The district also increased the compensation package offered for the superintendent's administrative assistant job in order to fill the vacancy with a qualified candidate. The events caused the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

Galesburg Community SD 205 – (SD 47/HD 93) / **Expiration: 2017-18 school year WM100-6490 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district exceeded the limitation due to additional expenditures, including personnel and business equipment that were required to administer an in-house special education program after withdrawing from the Knox-Warren Special Education Cooperative; and the hiring of additional deans' positions. For these reasons, the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

Jacksonville SD 117 – (SD 50/HD 100) / **Expiration: 2017-2018 school year WM100-6491 – Waiver of School Code** (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to the move of the district Pre-K Principal expenditure within the administrative cost functions. Additionally, the district discovered an error in reporting laptops to the wrong function, resulting in the need to amend and remove these costs from the administrative cost functions. For these reasons, the district's budgeted administrative costs for FY 2018 to exceed those for FY 2017 by more than the 5 percent limitation.

[February 21, 2018]

Prospect Heights SD 23 – (SD 27/HD 53) / Expiration: 2017-18 school year WM100-6494 – Waiver of School Code (Section 17-1.5) request to allow the district to waive the limitation of administrative costs due to circumstances beyond its control. The district exceeded the limitation due to a new part-time administrative support position; changes in the account for the superintendent secretary, administrative travel, and the treasurer bond; a contractually obligated retirement payment for the prior year superintendent; new costs for a mentoring program for the new superintendent; and prior year costs being lower than expected for the copier contract. All of these reasons resulted in the district's budgeted administrative costs for FY 2018 exceeding those for FY 2017 by more than the 5 percent limitation.
