Senator Raoul offered the following Senate Joint Resolution, which was referred to the Committee on Assignments:

[February 22, 2018]

SENATE JOINT RESOLUTION NO. 55

WHEREAS, In 2011, the General Assembly enacted the Illinois Voting Rights Act to require legislative and representative districts drawn after each decennial redistricting plan pursuant to Article IV, Section 3 of the Illinois Constitution to create crossover districts, coalition districts, or influence districts so long drawing these districts would not conflict the United States Constitution, any federal law regarding redistricting Legislative Districts or Representative Districts, including but not limited to the federal Voting Rights Act, or the Illinois Constitution; and

WHEREAS, The purpose of the Illinois Voting Rights Act, as explained by the federal court decision upholding it, is to "prevent what is commonly known as the 'facturering' of minority voting districts" and protect the voting rights of racial and language minorities; and

WHEREAS, Illinois has a significant interest in ensuring that the United States Census Bureau conducts its 2020 decennial census in a manner to fully and accurately count "the whole number of persons in each State" in order to ensure Illinois' fair representation in Congress, its influence in the Electoral College, its fair share of federal funds based on Census data, and its compliance with the Illinois Voting Rights Act's requirement to draw state legislative and representative districts in a manner that protects the voting rights of racial and language minorities; and

WHEREAS, The United States Department of Justice has requested that the United States Census Bureau reinstate a question on citizenship to the 2020 census, claiming that the data is critical to the Department's enforcement of Section 2 of the Voting Rights Act and the important protections it provides against racial discrimination in voting; and

WHEREAS, The Department of Justice states it needs a reliable calculation of the citizen voting age population in localities where voting rights are alleged or suspected; and

WHEREAS, Experts agree that since the same question is included in the American Community Survey it is adequate to fulfill the Department of Justice's stated purpose of enforcing the Voting Rights Act; and

WHEREAS, The Attorneys General of 17 states, including Illinois, and the District of Columbia, and the Governor of Colorado recently sent a joint letter opposing the Department of Justice's request to the Secretary of the United States Department of Commerce, which oversees the Census Bureau; and

WHEREAS, The Attorneys General's joint letter correctly explains how adding a citizenship question would significantly depress participation in the 2020 decennial census and cause a population undercount that would disproportionately harm states and cities with large immigrant communities; and

WHEREAS, The Attorney General's joint letter further explains how adding a citizenship question would frustrate the Census Bureau's obligation under the U.S. Constitution to determine "the whole number of persons in each state", threaten the fair representation of their states in Congress, dilute the influence of their states in the Electoral College, and deprive their states of their fair share of hundreds of billions dollars in federal funds allocated based upon Census data; and

WHEREAS, The Attorney General's joint letter rightly points out that the Census Bureau itself has previously explained that "any effort to ascertain citizenship" in the decennial Census "will inevitably jeopardize the overall accuracy of the population count"; and

WHEREAS, Four former Directors of the Census Bureau - appointed by Presidents of both political parties - explained in a brief filed with the U.S. Supreme Court less than three years ago that "a one-by-one citizenship inquiry would invariably lead to a lower response rate to the Census in general" and would "seriously frustrate the Census Bureau's ability to conduct the only count the Constitution expressly requires"; and

WHEREAS, It is abundantly clear that reinstating a citizenship question will lead to comprehensive inaccuracies, including how congressional, state, and local legislative districts are drawn and how government funds are distributed; and

[February 22, 2018]

WHEREAS, U.S. senators have asked the current presidential administration to reject the request since it could depress or hinder census turnout due to fear that the government could use the information against the participants and since the question has not been asked by the Census Bureau since 1950; and

WHEREAS, Reinstating this question will have the unintended effect of increasing the Census Bureau's costs and budget to conduct the census, as the Bureau must send out enumerators to interview the occupants of any address that did not respond; therefore, be it

RESOLVED, BY THE SENATE OF THE ONE HUNDREDTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, THE HOUSE OF REPRESENTATIVES CONCURRING HEREIN, that we strongly urge the Secretary of Commerce to reject the U.S. Department of Justice's request to include the citizenship question in the 2020 census; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Honorable Wilbur Ross, Secretary of the U.S. Department of Commerce, and each member of the Illinois Congressional Delegation.

Section 15. The Unified Code of Corrections is amended by changing Section 5-5-5 as follows:

(730 ILCS 5/5-5-5) (from Ch. 38, par. 1005-5-5)

Sec. 5-5-5. Loss and Restoration of Rights.

(b) A person convicted of a felony shall be ineligible to hold an office created by the Constitution of this State until the completion of his sentence.

(c) A person sentenced to imprisonment shall lose his right to vote until released from imprisonment.

(d) On completion of sentence of imprisonment or upon discharge from probation, conditional discharge or periodic imprisonment, or at any time thereafter, all license rights and privileges granted under the authority of this State which have been revoked or suspended because of conviction of an offense shall be restored unless the authority having jurisdiction of such license rights finds after investigation and hearing that restoration is not in the public interest. This paragraph (d) shall not apply to the suspension or revocation of a license to operate a motor vehicle under the Illinois Vehicle Code.

(e) Upon a person's discharge from incarceration or parole, or upon a person's discharge from probation or at any time thereafter, the committing court may enter an order certifying that the sentence has been satisfactorily completed when the court believes it would assist in the rehabilitation of the person and be consistent with the public welfare. Such order may be entered upon the motion of the defendant or the State or upon the court's own motion.

(f) Upon entry of the order, the court shall issue to the person in whose favor the order has been entered a certificate stating that his behavior after conviction has warranted the issuance of the order.

(g) This Section shall not affect the right of a defendant to collaterally attack his conviction or to rely on it in bar of subsequent proceedings for the same offense.

(h) No application for any license specified in subsection (i) of this Section granted under the authority of this State shall be denied by reason of an eligible offender who has obtained a certificate of relief from disabilities, as defined in Article 5.5 of this Chapter, having been previously convicted of one or more

criminal offenses, or by reason of a finding of lack of "good moral character" when the finding is based upon the fact that the applicant has previously been convicted of one or more criminal offenses, unless:

(1) there is a direct relationship between one or more of the previous criminal offenses and the specific license sought; or

(2) the issuance of the license would involve an unreasonable risk to property or to the safety or welfare of specific individuals or the general public.

In making such a determination, the licensing agency shall consider the following factors:

(1) the public policy of this State, as expressed in Article 5.5 of this Chapter, to encourage the licensure and employment of persons previously convicted of one or more criminal offenses;

Section 20. The Mechanics Lien Act is amended by changing Section 1 as follows:
(770 ILCS 60/1) (from Ch. 82, par. 1)

Sec. 1. Contractor defined; amount of lien; waiver of lien; attachment of lien; agreement to waive; when not enforceable.

(a) Any person who shall by any contract or contracts, express or implied, or partly expressed or implied, with the owner of a lot or tract of land, or with one whom the owner has authorized or knowingly permitted to contract, to improve the lot or tract of land or for the purpose of improving the tract of land, or to manage a structure under construction thereon, is known under this Act as a contractor and has a lien upon the whole of such lot or tract of land and upon adjoining or adjacent lots or tracts of land of such owner constituting the same premises and occupied or used in connection with such lot or tract of land as a place of residence or business; and in case the contract relates to 2 or more buildings, on 2 or more lots or tracts of land, upon all such lots and tracts of land and improvements thereon for the amount due to him or her for the material, fixtures, apparatus, machinery, services or labor, and interest at the rate of 10% per annum from the date the same is due. This lien extends to an estate in fee, for life, for years, or any other estate or any right of redemption or other interest that the owner may have in the lot or tract of land at the time of making such contract or may subsequently acquire and this lien attaches as of the date of the contract.

(b) As used in subsection (a) of this Section, "improve" means to furnish labor, services, material, fixtures, apparatus or machinery, forms or form work in the process of construction where cement, concrete or like material is used for the purpose of or in the building, altering, repairing or ornamenting any house or other building, walk or sidewalk, whether the walk or sidewalk is on the land or bordering thereon, driveway, fence or improvement or appurtenances to the lot or tract of land or connected therewith, and upon, over or under a sidewalk, street or alley adjoining; or fill, sod or excavate such lot or tract of land, or do landscape work thereon or therefor; or raise or lower any house thereon or remove any house thereto, or remove any house or other structure therefrom, or perform any services or incur any expense as an architect, structural engineer, professional engineer, land surveyor, registered interior designer, or property manager in, for, or on a lot or tract of land for any such purpose; or drill any water well thereon; or furnish or perform labor or services as superintendent, time keeper, mechanic, laborer or otherwise, in the building, altering, repairing or ornamenting of the same; or furnish material, fixtures, apparatus, machinery, labor or services, forms or form work used in the process of construction where concrete, cement or like material is used, or drill any water well on the order of his agent, architect, structural engineer, registered interior designer, or superintendent having charge of the improvements, building, altering, repairing, or ornamenting the same.

(c) The taking of additional security by the contractor or sub-contractor is not a waiver of any right of lien which he may have by virtue of this Act, unless made a waiver by express agreement of the parties and the waiver is not prohibited by this Act.

(d) An agreement to waive any right to enforce or claim any lien under this Act, or an agreement to subordinate the lien, where the agreement is in anticipation of and in consideration for the awarding of a contract or subcontract, either express or implied, to perform work or supply materials for an improvement upon real property is against public policy and unenforceable. This Section does not prohibit release of lien under subsection (b) of Section 35 of this Act, nor does it prohibit an agreement to subordinate a mechanics lien to a mortgage lien that secures a construction loan if that agreement is made after more than 50% of the loan has been disbursed to fund improvements to the property.

AMENDMENT NO. 1 TO SENATE BILL 336

AMENDMENT NO. 1. Amend Senate Bill 336 by replacing everything after the enacting clause with the following:

[February 22, 2018]

"Section 1. This Act may be referred to as the Alternatives to Opioids Act of 2018.

Section 5. The Compassionate Use of Medical Cannabis Pilot Program Act is amended by changing Sections 5, 10, 60, and 160 as follows:

(410 ILCS 130/5)

(Section scheduled to be repealed on July 1, 2020)

Sec. 5. Findings.

(a) The recorded use of cannabis as a medicine goes back nearly 5,000 years. Modern medical research has confirmed the beneficial uses of cannabis in treating or alleviating the pain, nausea, and other symptoms associated with a variety of debilitating medical conditions, including cancer, multiple sclerosis, and HIV/AIDS, as found by the National Academy of Sciences' Institute of Medicine in March 1999.

(b) Studies published since the 1999 Institute of Medicine report continue to show the therapeutic value of cannabis in treating a wide array of debilitating medical conditions. These include relief of the neuropathic pain caused by multiple sclerosis, HIV/AIDS, and other illnesses that often fail to respond to conventional treatments and relief of nausea, vomiting, and other side effects of drugs used to treat HIV/AIDS and hepatitis C, increasing the chances of patients continuing on life-saving treatment regimens.

(c) Cannabis has many currently accepted medical uses in the United States, having been recommended by thousands of licensed physicians to at least 600,000 patients in states with medical cannabis laws. The medical utility of cannabis is recognized by a wide range of medical and public health organizations, including the American Academy of HIV Medicine, the American College of Physicians, the American Nurses Association, the American Public Health Association, the Leukemia & Lymphoma Society, and many others.

(d) Data from the Federal Bureau of Investigation's Uniform Crime Reports and the Compendium of Federal Justice Statistics show that approximately 99 out of every 100 cannabis arrests in the U.S. are made under state law, rather than under federal law. Consequently, changing State law will have the practical effect of protecting from arrest the vast majority of seriously ill patients who have a medical need to use cannabis.

(d-5) In 2014, the Task Force on Veterans' Suicide was created by the Illinois General Assembly to gather data on veterans' suicide prevention. Data from a U.S. Department of Veterans Affairs study indicates that 22 veterans commit suicide each day.

(d-10) According to the State of Illinois Opioid Action Plan released in September 2017, "The opioid epidemic is the most significant public health and public safety crisis facing Illinois."

According to the Action Plan, "Fueled by the growing opioid epidemic, drug overdoses have now become the leading cause of death nationwide for people under the age of 50. In Illinois, opioid overdoses have killed nearly 11,000 people since 2008. Just last year, nearly 1,900 people died of overdoses—almost twice the number of fatal car accidents. Beyond these deaths are thousands of emergency department visits, hospital stays, as well as the pain suffered by individuals, families, and communities."

According to the Action Plan, "At the current rate, the opioid epidemic will claim the lives of more than 2,700 Illinoisans in 2020."

Further, the Action Plan states, "Physical tolerance to opioids can begin to develop as early as two to three days following the continuous use of opioids, which is a large factor that contributes to their addictive potential."

The 2017 State of Illinois Opioid Action Plan also states, "The increase in OUD [opioid use disorder] and opioid overdose deaths is largely due to the dramatic rise in the rate and amount of opioids prescribed for pain over the past decades."

Further, according to the Action Plan, "In the absence of alternative treatments, reducing the supply of prescription opioids too abruptly may drive more people to switch to using illicit drugs (including heroin), thus increasing the risk of overdose."

According to the Action Plan, "Medication-assisted treatment (MAT) is the use of medications in combination with counseling, behavioral therapies, and other recovery support services for the treatment of SUDs [substance use disorders]."

Finally, the Action Plan states, "The World Health Organization (WHO), CDC, National Institutes of Health (NIH), and other experts all agree that MAT is essential to treating those with OUD and helping them recover."

(e) Alaska, Arizona, California, Colorado, Connecticut, Delaware, Hawaii, Maine, Massachusetts, Michigan, Montana, Nevada, New Jersey, New Mexico, Oregon, Rhode Island, Vermont, Washington, and Washington, D.C. have removed state-level criminal penalties from the medical use and cultivation of cannabis. Illinois joins in this effort for the health and welfare of its citizens.

[February 22, 2018]

(f) States are not required to enforce federal law or prosecute people for engaging in activities prohibited by federal law. Therefore, compliance with this Act does not put the State of Illinois in violation of federal law.

(g) State law should make a distinction between the medical and non-medical uses of cannabis. Hence, the purpose of this Act is to protect patients with debilitating medical conditions, as well as their physicians and providers, from arrest and prosecution, criminal and other penalties, and property forfeiture if the patients engage in the medical use of cannabis.

(h) If the court finds that there is a preponderance of the evidence to issue a lethal violence order of protection, the court shall issue a lethal violence order of protection that shall be in effect for one year subject to renewal under Section 45 of this Act or termination under that Section.

(i) A one-year lethal violence order of protection shall require:

(1) the respondent to refrain from having in his or her custody or control, owning, purchasing, possessing or receiving additional firearms for the duration of the order;

(2) the respondent to turn over to the local law enforcement agency any firearm or Firearm Owner's Identification Card and concealed carry license in his or her possession. (b) Filing with sheriff. The clerk of the issuing judge shall, or the petitioner may, on the same day that a lethal violence order of protection is issued, file a certified copy of that order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records or charged with serving the order upon respondent. If the order was issued in accordance with Section 35 of this Act (emergency lethal violence order of protection), the clerk shall on the next court day, file a certified copy of the order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records.

(c) Service by sheriff. Unless respondent was present in court when the order was issued, the sheriff, other law enforcement official, or special process server shall promptly serve that order upon respondent and file proof of the service, in the manner provided for service of process in civil proceedings. Instead of serving the order upon the respondent, however, the sheriff, other law enforcement official, special process server, or other persons defined in Section 112A-22.10 of the Code of Criminal Procedure of 1963 may serve the respondent with a short form notification as provided in that Section. If process has not yet been served upon the respondent, it shall be served with the order or short form notification if the service is made by the sheriff, other law enforcement official, or special process server. A single fee may be charged for service of an order obtained in circuit court, or for service of the order together with process, unless waived or deferred under subsection (c) of Section 10 of this Act.

(d) Any order renewing or terminating any lethal violence order of protection shall be promptly recorded, issued, and served as provided in this Section.

Section 55. Data maintenance by law enforcement agencies.

(b) The Department of State Police shall maintain a complete and systematic record and index of all valid and recorded lethal violence orders of protection issued or filed under this Act. The data shall be used to inform all dispatchers and law enforcement officers at the scene of a violation of lethal violence order of protection of the effective dates and terms of any recorded order of protection.

(c) The data, records and transmittals required under this Section shall pertain to any valid emergency or one-year lethal violence order of protection, whether issued in a civil or criminal proceeding or authorized under the laws of another state, tribe, or United States territory.

Section 60. Filing of a lethal violence order of protection issued by another state.

(a) A person entitled to protection under a lethal violence order of protection or similar order issued by the court of another state, tribe, or United States territory may file a certified copy of the lethal violence order of protection with the clerk of the court in a judicial circuit in which the person believes that enforcement may be necessary.

(b) The clerk shall:

(1) treat the foreign lethal violence order of protection in the same manner as a judgment of the circuit court for any county of this State in accordance with the provisions of the Uniform Enforcement of Foreign Judgments Act, except that the clerk shall not mail notice of the filing of the foreign order to the respondent named in the order; and

(2) on the same day that a foreign lethal violence order of protection is filed, file a certified copy of that order with the sheriff or other law enforcement officials charged with maintaining Department of State Police records as set forth in Section 55 of this Act.

(d) The clerk shall not charge a fee to file a foreign order of protection under this Section.

Section 65. Enforcement; sanctions for violation of order.

(a) A respondent who knowingly violates a lethal violence order of protection is guilty of a Class A misdemeanor. (b) A petitioner who files a petition for a lethal violence order of protection knowing the information in the petition to be false is guilty of a Class A misdemeanor.

Section 70. Non-preclusion of remedies. Nothing in this Act shall preclude a petitioner or law-enforcement officer from removing weapons under other authority, or filing criminal charges when probable cause exists.

Section 135. The Firearm Owners Identification Card Act is amended by changing Section 8.2 as follows:

(430 ILCS 65/8.2)

Sec. 8.2. Firearm Owner's Identification Card denial or revocation. The Department of State Police shall deny an application or shall revoke and seize a Firearm Owner's Identification Card previously issued under this Act if the Department finds that the applicant or person to whom such card was issued is or was at the time of issuance subject to an existing order of protection or lethal violence order of protection.

(Source: P.A. 96-701, eff. 1-1-10.)

Section 140. The Firearm Concealed Carry Act is amended by changing Section 70 as follows:

(430 ILCS 66/70)

Sec. 70. Violations.

(a) A license issued or renewed under this Act shall be revoked if, at any time, the licensee is found to be ineligible for a license under this Act or the licensee no longer meets the eligibility requirements of the Firearm Owners Identification Card Act.

(b) A license shall be suspended if an order of protection, including an emergency order of protection, plenary order of protection, or interim order of protection under Article 112A of the Code of Criminal Procedure of 1963 or under the Illinois Domestic Violence Act of 1986, or if a lethal violence order of protection, including an emergency lethal violence order of protection, under the Lethal Violence Order of Protection Act, is issued against a licensee for the duration of the order, or if the Department is made aware of a similar order issued against the licensee in any other jurisdiction. If an order of protection is issued against a licensee, the licensee shall surrender the license, as applicable, to the court at the time the order is entered or to the law enforcement agency or entity serving process at the time the licensee is served the order. The court, law enforcement agency, or entity responsible for serving the order of protection shall notify the Department within 7 days and transmit the license to the Department.

(c) A license is invalid upon expiration of the license, unless the licensee has submitted an application to renew the license, and the applicant is otherwise eligible to possess a license under this Act.

(d) A licensee shall not carry a concealed firearm while under the influence of alcohol, other drug or drugs, intoxicating compound or combination of compounds, or any combination thereof, under the standards set forth in subsection (a) of Section 11-501 of the Illinois Vehicle Code.

A licensee in violation of this subsection (d) shall be guilty of a Class A misdemeanor for a first or second violation and a Class 4 felony for a third violation. The Department may suspend a license for up to 6 months for a second violation and shall permanently revoke a license for a third violation.

(e) Except as otherwise provided, a licensee in violation of this Act shall be guilty of a Class B misdemeanor. A second or subsequent violation is a Class A misdemeanor. The Department may suspend a license for up to 6 months for a second violation and shall permanently revoke a license for 3 or more violations of Section 65 of this Act. Any person convicted of a violation under this Section shall pay a \$150 fee to be deposited into the Mental Health Reporting Fund, plus any applicable court costs or fees.

(f) A licensee convicted or found guilty of a violation of this Act who has a valid license and is otherwise eligible to carry a concealed firearm shall only be subject to the penalties under this Section and shall not be subject to the penalties under Section 21-6, paragraph (4), (8), or (10) of subsection (a) of Section 24-1, or subparagraph (A-5) or (B-5) of paragraph (3) of subsection (a) of Section 24-1.6 of the Criminal Code of 2012. Except as otherwise provided in this subsection, nothing in this subsection prohibits the licensee from being subjected to penalties for violations other than those specified in this Act.

(g) A licensee whose license is revoked, suspended, or denied shall, within 48 hours of receiving notice of the revocation, suspension, or denial, surrender his or her concealed carry license to the local law enforcement agency where the person resides. The local law enforcement agency shall provide the licensee a receipt and transmit the concealed carry license to the Department of State Police. If the licensee whose concealed carry license has been revoked, suspended, or denied fails to comply with the requirements of this subsection, the law enforcement agency where the person resides may petition the circuit court to issue a warrant to search for and seize the concealed carry license in the possession and under the custody or control of the licensee whose concealed carry license has been revoked, suspended, or denied. The observation of a concealed carry license in the possession of a person whose license has been revoked, suspended, or denied constitutes a sufficient basis for the arrest of that person for violation of this subsection. A violation of this subsection is a Class A misdemeanor.

(h) A license issued or renewed under this Act shall be revoked if, at any time, the licensee is found ineligible for a Firearm Owner's Identification Card, or the licensee no longer possesses a valid Firearm Owner's Identification Card. A licensee whose license is revoked under this subsection (h) shall surrender his or her concealed carry license as provided for in subsection (g) of this Section.

This subsection shall not apply to a person who has filed an application with the State Police for renewal of a Firearm Owner's Identification Card and who is not otherwise ineligible to obtain a Firearm Owner's Identification Card.

(i) A certified firearms instructor who knowingly provides or offers to provide a false certification that an applicant has completed firearms training as required under this Act is guilty of a Class A misdemeanor. A person guilty of a violation of this subsection (i) is not eligible for court supervision. The Department shall permanently revoke the firearms instructor certification of a person convicted under this subsection (i).
