Any member of the clergy having reasonable cause to believe that a child known to that member of the clergy in his or her professional capacity may be an abused child as defined in item (c) of the definition of "abused child" in Section 3 of this Act shall immediately report or cause a report to be made to the Department.

Any physician, physician's assistant, registered nurse, licensed practical nurse, medical technician, certified nursing assistant, social worker, or licensed professional counselor of any office, clinic, or any other physical location that provides abortions, abortion referrals, or contraceptives having reasonable cause to believe a child known to him or her in his or her professional or official capacity may be an abused child or a neglected child shall immediately report or cause a report to be made to the Department.

If an allegation is raised to a school board member during the course of an open or closed school board meeting that a child who is enrolled in the school district of which he or she is a board member is an abused child as defined in Section 3 of this Act, the member shall direct or cause the school board to direct the superintendent of the school district or other equivalent school administrator to comply with the requirements of this Act concerning the reporting of child abuse. For purposes of this paragraph, a school board member is granted the authority in his or her individual capacity to direct the superintendent of the school district or other equivalent school administrator to comply with the requirements of this Act concerning the reporting of child abuse.

Notwithstanding any other provision of this Act, if an employee of a school district has made a report or caused a report to be made to the Department under this Act involving the conduct of a current or former employee of the school district and a request is made by another school district for the provision of information concerning the job performance or qualifications of the current or former employee because he or she is an applicant for employment with the requesting school district, the general superintendent of the school district to which the request is being made must disclose to the requesting school district the fact that an employee of the school district has made a report involving the conduct of the applicant or caused a report to be made to the Department, as required under this Act. Only the fact that an employee of the school district has made a report involving the conduct of the applicant or caused a report to be made to the Department may be disclosed by the general superintendent of the school district to which the request for information concerning the applicant is made, and this fact may be disclosed only in cases where the employee and the general superintendent have not been informed by the Department that the allegations were unfounded. An employee of a school district who is or has been the subject of a report made pursuant to this Act during his or her employment with the school district must be informed by that school district that if he or she applies for employment with another school district, the general superintendent of the former school district, upon the request of the school district to which the employee applies, shall notify that requesting school district that the employee is or was the subject of such a report.

Whenever such person is required to report under this Act in his capacity as a member of the staff of a medical or other public or private institution, school, facility or agency, or as a member of the clergy, he shall make report immediately to the Department in accordance with the provisions of this Act and may also notify the person in charge of such institution, school, facility or agency, or church, synagogue, temple, mosque, or other religious institution, or his designated agent that such report has been made. Under no circumstances shall any person in charge of such institution, school, facility or agency, or church, synagogue, temple, mosque, or other religious institution, or his designated agent to whom such notification has been made, exercise any control, restraint, modification or other change in the report or the forwarding of such report to the Department.

The privileged quality of communication between any professional person required to report and his patient or client shall not apply to situations involving abused or neglected children and shall not constitute grounds for failure to report as required by this Act or constitute grounds for failure to share information or documents with the Department during the course of a child abuse or neglect investigation. If requested

[May 22, 2018]

by the professional, the Department shall confirm in writing that the information or documents disclosed by the professional were gathered in the course of a child abuse or neglect investigation.

The reporting requirements of this Act shall not apply to the contents of a privileged communication between an attorney and his or her client or to confidential information within the meaning of Rule 1.6 of the Illinois Rules of Professional Conduct relating to the legal representation of an individual client.

A member of the clergy may claim the privilege under Section 8-803 of the Code of Civil Procedure.

Any office, clinic, or any other physical location that provides abortions, abortion referrals, or contraceptives shall provide to all office personnel copies of written information and training materials about abuse and neglect and the requirements of this Act that are provided to employees of the office, clinic, or physical location who are required to make reports to the Department under this Act, and instruct such office personnel to bring to the attention of an employee of the office, clinic, or physical location who is required to make reports to the Department under this Act any reasonable suspicion that a child known to him or her in his or her professional or official capacity may be an abused child or a neglected child. In addition to the above persons required to report suspected cases of abused or neglected children, any other person may make a report if such person has reasonable cause to believe a child may be an abused child or a neglected child.

Any person who enters into employment on and after July 1, 1986 and is mandated by virtue of that employment to report under this Act, shall sign a statement on a form prescribed by the Department, to the effect that the employee has knowledge and understanding of the reporting requirements of this Act. On and after January 1, 2019, the statement shall also include information about available mandated reporter training provided by the Department. The statement shall be signed prior to commencement of the employment. The signed statement shall be retained by the employer. The cost of printing, distribution, and filing of the statement shall be borne by the employer.

Within one year of initial employment and at least every 5 years thereafter, school personnel required to report child abuse as provided under this Section must complete mandated reporter training by a provider or agency with expertise in recognizing and reporting child abuse.

The Department shall provide copies of this Act, upon request, to all employers employing persons who shall be required under the provisions of this Section to report under this Act.

Any person who knowingly transmits a false report to the Department commits the offense of disorderly conduct under subsection (a)(7) of Section 26-1 of the Criminal Code of 2012. A violation of this provision is a Class 4 felony.

Any person who knowingly and willfully violates any provision of this Section other than a second or subsequent violation of transmitting a false report as described in the preceding paragraph, is guilty of a Class A misdemeanor for a first violation and a Class 4 felony for a second or subsequent violation; except that if the person acted as part of a plan or scheme having as its object the prevention of discovery of an abused or neglected child by lawful authorities for the purpose of protecting or insulating any person or entity from arrest or prosecution, the person is guilty of a Class 4 felony for a first offense and a Class 3 felony for a second or subsequent offense (regardless of whether the second or subsequent offense involves any of the same facts or persons as the first or other prior offense).

A child whose parent, guardian or custodian in good faith selects and depends upon spiritual means through prayer alone for the treatment or cure of disease or remedial care may be considered neglected or abused, but not for the sole reason that his parent, guardian or custodian accepts and practices such beliefs.

A child shall not be considered neglected or abused solely because the child is not attending school in accordance with the requirements of Article 26 of the School Code, as amended.

Nothing in this Act prohibits a mandated reporter who reasonably believes that an animal is being abused or neglected in violation of the Humane Care for Animals Act from reporting animal abuse or neglect to the Department of Agriculture's Bureau of Animal Health and Welfare.

A home rule unit may not regulate the reporting of child abuse or neglect in a manner inconsistent with the provisions of this Section. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

For purposes of this Section "child abuse or neglect" includes abuse or neglect of an adult resident as defined in this Act.

(h) One or more members of the consortium may expend funds to cover the salary of a site-based cohort coordinator.

(i) Grant funds may also be expended to pay directly for required developmental classes for candidates beginning a program.

TIMOTHY D. MAPES, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 457

AMENDMENT NO. 1. Amend Senate Bill 457 by replacing everything after the enacting clause with the following:

"Section 5. The Food Handling Regulation Enforcement Act is amended by changing Section 4 as follows:

(410 ILCS 625/4)

Sec. 4. Cottage food operation.

(a) For the purpose of this Section:

A food is "acidified" if: (i) acid or acid ingredients are added to it to produce a final equilibrium pH of 4.6 or below; or (ii) it is fermented to produce a final equilibrium pH of 4.6 or below.

"Canned food" means food preserved in air-tight, vacuum-sealed containers that are heat processed sufficiently to enable storing the food at normal home temperatures.

"Cottage food operation" means an operation conducted by a person who produces or packages food or drink, other than foods and drinks listed as prohibited in paragraph (1.5) of subsection (b) of this Section, in a kitchen located in that person's primary domestic residence or another appropriately designed and equipped residential or commercial-style kitchen on that property for direct sale by the owner, a family member, or employee.

"Cut leafy greens" means fresh leafy greens whose leaves have been cut, shredded, sliced, chopped, or torn. "Cut leafy greens" does not mean cut-to-harvest leafy greens.

"Department" means the Department of Public Health.

"Equilibrium pH" means the final potential of hydrogen measured in an acidified food after all the components of the food have achieved the same acidity.

"Farmers' market" means a common facility or area where farmers gather to sell a variety of fresh fruits and vegetables and other locally produced farm and food products directly to consumers.

"Leafy greens" includes iceberg lettuce; romaine lettuce; leaf lettuce; butter lettuce; baby leaf lettuce, such as immature lettuce or leafy greens; escarole; endive; spring mix; spinach; cabbage; kale; arugula; and chard. "Leafy greens" does not include microgreens or herbs such as cilantro or parsley.

"Main ingredient" means an agricultural product that is the defining or distinctive ingredient in a cottage food product, though not necessarily by predominance of weight.

"Microgreen" means an edible plant seedling grown in soil or substrate and harvested above the soil or substrate line.

"Potentially hazardous food" means a food that is potentially hazardous according to the Department's administrative rules. Potentially hazardous food (PHF) in general means a food that requires time and temperature control for safety (TCS) to limit pathogenic microorganism growth or toxin formation.

"Sprout" means any seedling intended for human consumption that was produced in a manner that does not meet the definition of microgreen.

(b) Notwithstanding any other provision of law and except as provided in subsections (c), (d), and (e) of this Section, neither the Department nor the Department of Agriculture nor the health department of a unit of local government may regulate the transaction of food or drink by a cottage food operation providing that all of the following conditions are met:

(1) (Blank).

(1.5) A cottage food operation may produce homemade food and drink. However, a cottage food operation, unless properly licensed, certified, and compliant with all requirements to sell a listed food item under the laws and regulations pertinent to that food item, shall not sell or offer to sell the following food items or processed foods containing the following food items, except as indicated:

(A) meat, poultry, fish, seafood, or shellfish;

(B) dairy, except as an ingredient in a non-potentially hazardous baked good or candy, such as caramel, subject to paragraph (1.8);

(C) eggs, except as an ingredient in a non-potentially hazardous baked good or in

[May 22, 2018]

dry noodles;

(D) pumpkin pies, sweet potato pies, cheesecakes, custard pies, creme pies, and pastries with potentially hazardous fillings or toppings;

(E) garlic in oil or oil infused with garlic, except if the garlic oil is acidified;

(F) canned foods, except for the following, which may be canned only in Mason-style jars with new lids:

(i) fruit jams, fruit jellies, fruit preserves, or fruit butters; ;

(ii) syrups;

(iii) whole or cut fruit canned in syrup; and

(iv) acidified fruit or vegetables prepared and offered for sale in compliance with paragraph (1.6); and

(v) condiments such as prepared mustard, horseradish, or ketchup that do not contain ingredients prohibited under this Section and that are prepared and offered for sale in compliance with paragraph (1.6);

(G) sprouts;

(H) cut leafy greens, except for cut leafy greens that are dehydrated, acidified, or blanched and frozen;

(I) cut or pureed fresh tomato or melon;

(J) dehydrated tomato or melon;

(K) frozen cut melon;

(L) wild-harvested, non-cultivated mushrooms; or

(M) alcoholic beverages; or

(N) kombucha.

(1.6) In order to sell canned tomatoes or a canned product containing tomatoes, a cottage food operator shall either:

(A) follow exactly a recipe that has been tested by the United States Department of Agriculture or by a state cooperative extension located in this State or any other state in the United States; or

(B) submit the recipe, at the cottage food operator's expense, to a commercial laboratory to test that the product has been adequately acidified; use only the varietal or proportionate varietals of tomato included in the tested recipe for all subsequent batches of such recipe; and provide documentation of the test results of the recipe submitted under this subparagraph to an inspector upon request during any inspection authorized by paragraph (2) of subsection (d).

(1.7) A State-certified local public health department that regulates the service of food by a cottage food operation in accordance with subsection (d) of this Section may require a cottage food operation to submit a canned food that is subject to paragraph (1.6), at the cottage food operator's expense, to a commercial laboratory to verify that the product has a final equilibrium pH of 4.6 or below.

(1.8) A State-certified local public health department that regulates the service of food by a cottage food operation in accordance with subsection (d) of this Section may require a cottage food operation to submit a recipe for any baked good containing cheese, at the cottage food operator's expense, to a commercial laboratory to verify that it is non-potentially hazardous before allowing the cottage food operation to sell the baked good as a cottage food.

(2) The food is to be sold at a farmers' market, with the exception that cottage foods that have a locally grown agricultural product as the main ingredient may be sold on the farm where the agricultural product is grown or delivered directly to the consumer.

(3) (Blank).

(4) The food packaging conforms to the labeling requirements of the Illinois Food, Drug and Cosmetic Act and includes the following information on the label of each of its products:

(A) the name and address of the cottage food operation;

(B) the common or usual name of the food product;

(C) all ingredients of the food product, including any colors, artificial flavors, and preservatives, listed in descending order by predominance of weight shown with common or usual names;

(D) the following phrase: "This product was produced in a home kitchen not subject to public health inspection that may also process common food allergens.";

(E) the date the product was processed; and

(F) allergen labeling as specified in federal labeling requirements.

(5) The name and residence of the person preparing and selling products as a cottage food operation is registered with the health department of a unit of local government where the cottage food operation resides. No fees shall be charged for registration. Registration shall be for a minimum period of one year.

(6) The person preparing or packaging products as a cottage food operation has a Department approved Food Service Sanitation Management Certificate.

(7) At the point of sale a placard is displayed in a prominent location that states the following: "This product was produced in a home kitchen not subject to public health inspection that may also process common food allergens."

(c) Notwithstanding the provisions of subsection (b) of this Section, if the Department or the health department of a unit of local government has received a consumer complaint or has reason to believe that an imminent health hazard exists or that a cottage food operation's product has been found to be misbranded, adulterated, or not in compliance with the exception for cottage food operations pursuant to this Section, then it may invoke cessation of sales of cottage food products until it deems that the situation has been addressed to the satisfaction of the Department.

(d) Notwithstanding the provisions of subsection (b) of this Section, a State-certified local public health department may, upon providing a written statement to the Department, regulate the service of food by a cottage food operation. The regulation by a State-certified local public health department may include all of the following requirements:

(1) That the cottage food operation (A) register with the State-certified local public health department, which shall be for a minimum of one year and include a reasonable fee set by the State-certified local public health department that is no greater than \$25 notwithstanding paragraph (5) of subsection (b) of this Section and (B) agree in writing at the time of registration to grant access to the State-certified local public health department to conduct an inspection of the cottage food operation's primary domestic residence in the event of a consumer complaint or foodborne illness outbreak.

(2) That in the event of a consumer complaint or foodborne illness outbreak the State-certified local public health department is allowed to (A) inspect the premises of the cottage food operation in question and (B) set a reasonable fee for that inspection.

(e) The Department may adopt rules as may be necessary to implement the provisions of this Section. (Source: P.A. 99-191, eff. 1-1-16; 100-35, eff. 1-1-18.)

Section 99. Effective date. This Act takes effect upon becoming law."

On motion of Senator Koehler, **House Bill No. 1443** was recalled from the order of third reading to the order of second reading.

Senator Koehler offered the following amendment and moved its adoption:

AMENDMENT NO. 1 TO HOUSE BILL 1443

AMENDMENT NO. 1. Amend House Bill 1443 by replacing everything after the enacting clause with the following:

"Section 5. The Mental Health and Developmental Disabilities Code is amended by adding Article 5A to Chapter III as follows:

(405 ILCS 5/Ch. III, Art. V-A heading new)

ARTICLE V-A. RIGHT OF MINORS TO CONSENT TO COUNSELING SERVICES OR PSYCHOTHERAPY ON AN OUTPATIENT BASIS

(405 ILCS 5/3-5A-105 new)

Sec. 3-5A-105. Minors 12 years of age or older request to receive counseling services or psychotherapy on an outpatient basis.

(a) Any minor 12 years of age or older may request and receive counseling services or psychotherapy on an outpatient basis. The consent of the minor's parent, guardian, or person in loco parentis shall not be

[May 22, 2018]

necessary to authorize outpatient counseling services or psychotherapy. However, until the consent of the minor's parent, guardian, or person in loco parentis has been obtained, outpatient counseling services or psychotherapy provided to a minor under the age of 17 shall be initially limited to not more than 8 90-minute sessions. The service provider shall consider the factors contained in subsection (a-1) of this Section throughout the therapeutic process to determine, through consultation with the minor, whether attempting to obtain the consent of a parent, guardian, or person in loco parentis would be detrimental to the minor's well-being. No later than the eighth session, the service provider shall determine and share with the minor the service provider's decision as described below:

(1) If the service provider finds that attempting to obtain consent would not be detrimental to the minor's well-being, the provider shall notify the minor that the consent of a parent, guardian, or person in loco parentis is required to continue counseling services or psychotherapy.

(2) If the minor does not permit the service provider to notify the parent, guardian, or person in loco parentis for the purpose of consent after the eighth session the service provider shall discontinue counseling services or psychotherapy and shall not notify the parent, guardian, or person in loco parentis about the counseling services or psychotherapy.

(3) If the minor permits the service provider to notify the parent, guardian, or person in loco parentis for the purpose of consent, without discontinuing counseling services or psychotherapy, the service provider shall make reasonable attempts to obtain consent. The service provider shall document each attempt to obtain consent in the minor's clinical record. The service provider may continue to provide counseling services or psychotherapy without the consent of the minor's parent, guardian, or person in loco parentis if:

(A) the service provider has made at least 2 unsuccessful attempts to contact the minor's parent, guardian, or person in loco parentis to obtain consent; and

(B) the service provider has obtained the minor's written consent.

(4) If, after the eighth session, the service provider of counseling services or psychotherapy determines that obtaining consent would be detrimental to the minor's well-being, the service provider shall consult with his or her supervisor when possible to review and authorize the determination under subsection (a) of this Section. The service provider shall document the basis for the determination in the minor's clinical record and may then accept the minor's written consent to continue to provide counseling services or psychotherapy without also obtaining the consent of a parent, guardian, or person in loco parentis.

(5) If the minor continues to receive counseling services or psychotherapy without the consent of a parent, guardian, or person in loco parentis beyond 8 sessions, the service provider shall evaluate, in consultation with his or her supervisor when possible, his or her determination under this subsection (a), and review the determination every 60 days until counseling services or psychotherapy ends or the minor reaches age 17. If it is determined appropriate to notify the parent, guardian, or person in loco parentis and the minor consents, the service provider shall proceed under paragraph (3) of subsection (a) of this Section.

(6) When counseling services or psychotherapy are related to allegations of neglect, sexual abuse, or mental or physical abuse by the minor's parent, guardian, or person in loco parentis, obtaining consent of that parent, guardian, or person in loco parentis shall be presumed to be detrimental to the minor's well-being.

(a-1) Each of the following factors must be present in order for the service provider to find that obtaining the consent of a parent, guardian, or person in loco parentis would be detrimental to the minor's well-being:

(1) requiring the consent or notification of a parent, guardian, or person in loco parentis would cause the minor to reject the counseling services or psychotherapy;

(2) the failure to provide the counseling services or psychotherapy would be detrimental to the minor's well-being;

(3) the minor has knowingly and voluntarily sought the counseling services or psychotherapy; and

(4) in the opinion of the service provider, the minor is mature enough to participate in counseling services or psychotherapy productively.

(a-2) The minor's parent, guardian, or person in loco parentis shall not be informed of the counseling services or psychotherapy without the written consent of the minor unless the service provider believes the disclosure is necessary under subsection (a) of this Section. If the facility director or service provider intends to disclose the fact of counseling services or psychotherapy, the minor shall be so informed and if the minor chooses to discontinue counseling services or psychotherapy after being informed of the decision of the facility director or service provider to disclose the fact of counseling services or psychotherapy to the parent, guardian, or person in loco parentis, then the parent, guardian, or person in loco parentis shall not be notified. Under the Mental Health and Developmental Disabilities Confidentiality Act, the facility

director, his or her designee, or the service provider shall not allow the minor's parent, guardian, or person in loco parentis, upon request, to inspect or copy the minor's record or any part of the record if the service provider finds that there are compelling reasons for denying the access. Nothing in this Section shall be interpreted to limit a minor's privacy and confidentiality protections under State law.

(b) The minor's parent, guardian, or person in loco parentis shall not be liable for the costs of outpatient counseling services or psychotherapy which is received by the minor without the consent of the minor's parent, guardian, or person in loco parentis.

(c) Counseling services or psychotherapy provided under this Section shall be provided in compliance with the Professional Counselor and Clinical Professional Counselor Licensing and Practice Act, the Clinical Social Work and Social Work Practice Act, or the Clinical Psychologist Licensing Act.

(405 ILCS 5/3-501 rep.)

Section 105. The Mental Health and Developmental Disabilities Code is amended by repealing Section 3-501.

Section 999. Effective date. This Act takes effect upon becoming law.".
