(a) Coordination between engineering schools and private business is an important tool in fostering innovation. Universities have eager students, experienced faculty, and state-of-the-art research facilities. Businesses have existing markets, production capital, and evolving needs. The General Assembly believes that universities and businesses should share resources to allow students to participate in the research and development area of innovative design and to allow businesses to benefit from the developing skills of these students.

(b) In order to facilitate engineering excellence, the Department ~~may~~ ~~shall~~ develop a program to achieve the goals set forth in subsection (a). Under this program, the Department ~~may~~ ~~must~~:

(1) Annually contact the State's major public and private universities with engineering schools.

(2) Request a one-page written summary of the internship, externship, or residency programs operated by the engineering college of each of the contacted universities.

(3) Identify the manufacturing businesses within 50 miles of each university that responded under paragraph (2) that could benefit from assistance in the area of innovative design.

(4) Send a letter to each manufacturer identified under paragraph (3), informing it of the university's program and advising the business to contact the university if it wishes to participate in the engineering school's program.

(c) The Department ~~may~~ ~~shall~~ adopt rules for the implementation of this Section.

From the time of first notification, 9-1-1 PSAPs, emergency services dispatched through 9-1-1 PSAPs, and the mobile mental and behavioral health service established by the Division of Mental Health must provide the response within response time appropriate to the care requirements of the individual with an emergency."; and

on page 8, line 12, by replacing "(j)" with "(l) Integrate law enforcement."; and

by replacing line 21 on page 8 through line 10 on page 11 with the following:

"Section 30. State prohibitions. 9-1-1 PSAPs, emergency services dispatched through 9-1-1 PSAPs, and the mobile mental and behavioral health service established by the Division of Mental Health must coordinate their services so that, based on the information provided to them, the following State prohibitions are avoided:

(a) Law enforcement responsibility for providing mental and behavioral health care. In any area where responders are available for dispatch, law enforcement shall not be dispatched to respond to an individual requiring mental or behavioral health care unless that individual is (i) involved in a suspected violation of the criminal laws of this State, or (ii) presents a threat of physical injury to self or others. Responders are not considered available for dispatch under this Section if 9-8-8 reports that it cannot dispatch appropriate service within the maximum response times established by each Regional Advisory Committee under Section 45.

(1) Standing on its own or in combination with each other, the fact that an individual is experiencing a mental or behavioral health emergency, or has a mental health, behavioral health, or other diagnosis, is not sufficient to justify an assessment that the individual is a threat of physical injury to self or others, or requires a law enforcement response to a request for emergency response or medical transportation.

(2) If, based on its assessment of the threat to public safety, law enforcement would not accompany medical transportation responding to a physical health emergency, unless requested by responders, law enforcement may not accompany emergency response or medical transportation

personnel responding to a mental or behavioral health emergency that presents an equivalent level of threat to self or public safety.

(3) Without regard to an assessment of threat to self or threat to public safety, law enforcement may station personnel so that they can rapidly respond to requests for assistance from responders if law enforcement does not interfere with the provision of emergency response or transportation services. To the extent practical, not interfering with services includes remaining sufficiently distant from or out of sight of the individual receiving care so that law enforcement presence is unlikely to escalate the emergency.

(b) Responder involvement in involuntary commitment. In order to maintain the appropriate care relationship, responders shall not in any way assist in the involuntary commitment of an individual beyond (i) reporting to their dispatching entity or to law enforcement that they believe the situation requires assistance the responders are not permitted to provide under this Section; (ii) providing witness statements; and (iii) fulfilling reporting requirements the responders may have under their professional ethical obligations or laws of this state. This prohibition shall not interfere with any responder's ability to provide physical or mental health care.

(c) Use of law enforcement for transportation. In any area where responders are available for dispatch, unless requested by responders, law enforcement shall not be used to provide transportation to access mental or behavioral health care, or travel between mental or behavioral health care providers, except where no alternative is available.

(d) Reduction of educational institution obligations. The services coordinated under this Act may not be used to replace any service an educational institution is required to provide to a student. It shall not substitute for appropriate special education and related services that schools are required to provide by any law."; and

on page 11, line 11, by replacing "Section 30" with "Section 35"; and

on page 12, line 2, by replacing "Section 35" with "Section 40"; and

on page 14, line 4, by inserting "(e)" before "The"; and

on page 14, line 7, by replacing "Section 40" with "Section 45"; and

on page 15, by replacing line 10 with the following:
"served.

(c) Subject to the oversight of the Department of Human"; and

on page 15, line 18, by replacing "Section 45" with "Section 50"; and

on page 16, line 22, by replacing "Section 50" with "Section 55"; and

on page 17, line 2, by replacing "Section 55" with "Section 60"; and

on page 17, line 11, by replacing "Section 60" with "Section 65".

The motion prevailed.

And the amendment was adopted and ordered printed.

There being no further amendments, the bill, as amended, was ordered to a third reading.

On motion of Senator Crowe, **House Bill No. 3484** was recalled from the order of third reading to the order of second reading.

Senator Crowe offered the following amendment and moved its adoption:

AMENDMENT NO. 2 TO HOUSE BILL 3484

AMENDMENT NO. 2 . Amend House Bill 3484 by replacing everything after the enacting clause with the following:

[May 26, 2021]

"Section 5. The Illinois Marriage and Dissolution of Marriage Act is amended by changing Section 501 as follows:

(750 ILCS 5/501) (from Ch. 40, par. 501)

Sec. 501. Temporary relief. In all proceedings under this Act, temporary relief shall be as follows:

(a) Either party may petition or move for:

(1) temporary maintenance or temporary support of a child of the marriage entitled to support, accompanied by an affidavit as to the factual basis for the relief requested. One form of financial affidavit, as determined by the Supreme Court, shall be used statewide. The financial affidavit shall be supported by documentary evidence including, but not limited to, income tax returns, pay stubs, and banking statements. Unless the court otherwise directs, any affidavit or supporting documentary evidence submitted pursuant to this paragraph shall not be made part of the public record of the proceedings but shall be available to the court or an appellate court in which the proceedings are subject to review, to the parties, their attorneys, and such other persons as the court may direct. Upon motion of a party, a court may hold a hearing to determine whether and why there is a disparity between a party's sworn affidavit and the supporting documentation. If a party intentionally or recklessly files an inaccurate or misleading financial affidavit, the court shall impose significant penalties and sanctions including, but not limited to, costs and attorney's fees;

(2) a temporary restraining order or preliminary injunction, accompanied by affidavit showing a factual basis for any of the following relief:

(i) restraining any person from transferring, encumbering, concealing or otherwise disposing of any property except in the usual course of business or for the necessities of life, and, if so restrained, requiring him to notify the moving party and his attorney of any proposed extraordinary expenditures made after the order is issued; however, an order need not include an exception for transferring, encumbering, or otherwise disposing of property in the usual course of business or for the necessities of life if the court enters appropriate orders that enable the parties to pay their necessary personal and business expenses including, but not limited to, appropriate professionals to assist the court pursuant to subsection (l) of Section 503 to administer the payment and accounting of such living and business expenses;

(ii) enjoining a party from removing a child from the jurisdiction of the court for more than 14 days;

(iii) enjoining a party from striking or interfering with the personal liberty of the other party or of any child; or

(iv) providing other injunctive relief proper in the circumstances; or

(3) other appropriate temporary relief including, in the discretion of the court, ordering the purchase or sale of assets and requiring that a party or parties borrow funds in the appropriate circumstances.

Issues concerning temporary maintenance or temporary support of a child entitled to support shall be dealt with on a summary basis based on allocated parenting time, financial affidavits, tax returns, pay stubs, banking statements, and other relevant documentation, except an evidentiary hearing may be held upon a showing of good cause. If a party intentionally or recklessly files an inaccurate or misleading financial affidavit, the court shall impose significant penalties and sanctions including, but not limited to, costs and attorney's fees resulting from the improper representation.

(b) The court may issue a temporary restraining order without requiring notice to the other party only if it finds, on the basis of the moving affidavit or other evidence, that irreparable injury will result to the moving party if no order is issued until the time for responding has elapsed.

(c) A response hereunder may be filed within 21 days after service of notice of motion or at the time specified in the temporary restraining order.

(c-1) As used in this subsection (c-1), "interim attorney's fees and costs" means attorney's fees and costs, including an allowance from the other party for a retainer fee to obtain an attorney, assessed from time to time while a case is pending, in favor of the petitioning party's current counsel, for reasonable fees and costs either already incurred or to be incurred, and "interim award" means an award of interim attorney's fees and costs, including an allowance from the other party for a retainer fee to obtain an attorney. Interim awards shall be governed by the following:

(1) Except for good cause shown, a proceeding for (or relating to) interim attorney's fees and costs in a pre-judgment dissolution proceeding shall be nonevidentiary and summary in nature. All hearings for or relating to interim attorney's fees and costs under this subsection shall be scheduled

expeditiously by the court. When a party files a petition for interim attorney's fees and costs supported by one or more affidavits that delineate relevant factors, the court (or a hearing officer) shall assess an interim award after affording the opposing party a reasonable opportunity to file a responsive pleading. A responsive pleading shall set out the amount of each retainer or other payment or payments, or both, previously paid to the responding party's counsel by or on behalf of the responding party. A responsive pleading shall include costs incurred, and shall indicate whether the costs are paid or unpaid. In assessing an interim award, the court shall consider all relevant factors, as presented, that appear reasonable and necessary, including to the extent applicable:

- (A) the income and property of each party, including alleged marital property within the sole control of one party and alleged non-marital property within access to a party;
- (B) the needs of each party;
- (C) the realistic earning capacity of each party;
- (D) any impairment to present earning capacity of either party, including age and physical and emotional health;
- (E) the standard of living established during the marriage;
- (F) the degree of complexity of the issues, including allocation of parental responsibility, valuation or division (or both) of closely held businesses, and tax planning, as well as reasonable needs for expert investigations or expert witnesses, or both;
- (G) each party's access to relevant information;
- (H) the amount of the payment or payments made or reasonably expected to be made to the attorney for the other party; and
- (I) any other factor that the court expressly finds to be just and equitable.

(1.5) A petition for interim fees that seeks an order for the payment of an initial retainer to retain an attorney shall have attached to it an affidavit from the attorney to be retained that the attorney has been contacted by the moving party and the attorney has agreed to enter an appearance if the court grants the relief requested, together with a certificate from the moving party that the interim fees granted will only be used by the moving party to retain the attorney. Any interim fees granted pursuant to this paragraph shall be paid directly to the identified attorney.

(2) Any assessment of an interim award (including one pursuant to an agreed order) shall be without prejudice to any final allocation and without prejudice as to any claim or right of either party or any counsel of record at the time of the award. Any such claim or right may be presented by the appropriate party or counsel at a hearing on contribution under subsection (j) of Section 503 or a hearing on counsel's fees under subsection (c) of Section 508. Unless otherwise ordered by the court at the final hearing between the parties or in a hearing under subsection (j) of Section 503 or subsection (c) of Section 508, interim awards, as well as the aggregate of all other payments by each party to counsel and related payments to third parties, shall be deemed to have been advances from the parties' marital estate. Any portion of any interim award constituting an overpayment shall be remitted back to the appropriate party or parties, or, alternatively, to successor counsel, as the court determines and directs, after notice in a form designated by the Supreme Court. An order for the award of interim attorney's fees shall be a standardized form order and labeled "Interim Fee Award Order".

(3) In any proceeding under this subsection (c-1), the court (or hearing officer) shall assess an interim award against an opposing party in an amount necessary to enable the petitioning party to participate adequately in the litigation, upon findings that the party from whom attorney's fees and costs are sought has the financial ability to pay reasonable amounts and that the party seeking attorney's fees and costs lacks sufficient access to assets or income to pay reasonable amounts. In determining an award, the court shall consider whether adequate participation in the litigation requires expenditure of more fees and costs for a party that is not in control of assets or relevant information. Except for good cause shown, an interim award shall not be less than payments made or reasonably expected to be made to the counsel for the other party. If the court finds that both parties lack financial ability or access to assets or income for reasonable attorney's fees and costs, the court (or hearing officer) shall enter an order that allocates available funds for each party's counsel, including retainers or interim payments, or both, previously paid, in a manner that achieves substantial parity between the parties.

(4) The changes to this Section 501 made by this amendatory Act of 1996 apply to cases pending on or after June 1, 1997, except as otherwise provided in Section 508.

(c-2) Allocation of use of marital residence. Where there is on file a verified complaint or verified petition seeking temporary eviction from the marital residence, the court may, during the pendency of the proceeding, only in cases where the physical or mental well-being of either spouse or his or her children is jeopardized by occupancy of the marital residence by both spouses, and only upon due notice and full hearing, unless waived by the court on good cause shown, enter orders granting the exclusive possession of the marital residence to either spouse, by eviction from, or restoration of, the marital residence, until the final determination of the cause pursuant to the factors listed in Section 602.7 of this Act. No such order shall in any manner affect any estate in homestead property of either party. In entering orders under this subsection (c-2), the court shall balance hardships to the parties.

(d) A temporary order entered under this Section:

AMENDMENT NO. 1 TO HOUSE BILL 3886

AMENDMENT NO. 1. Amend House Bill 3886 by replacing everything after the enacting clause with the following:

"Section 5. The Juvenile Court Act of 1987 is amended by adding Section 2-10.3 as follows:

(705 ILCS 405/2-10.3 new)

Sec. 2-10.3. Access to news media.

(a) All youth in the custody or guardianship of the Department of Children and Family Services are entitled to the freedom of speech guaranteed by the First Amendment to the Constitution of the United States and Section 4 of Article I of the Illinois Constitution. The Department of Children and Family Services and its agents and assigns shall not interfere with the right of any youth in its custody or guardianship to communicate with the news media if the youth chooses to do so.

(b) Provisions related to minors under 18. Any time the news media requests to speak with a specific, identified minor under 18 years of age, the Department of Children and Family Services shall immediately provide notice of the news media's request to the minor's attorney and guardian ad litem. The notice shall include at a minimum the minor's name, the news media name, and the date of the inquiry from the news media. Within one business day of the news media's request, the Department shall determine whether the minor wants to speak with the news media, whether the minor has sufficient maturity to make his or her

[May 26, 2021]

own decision to communicate with the news media and whether contact with the news media will more likely than not cause the minor serious physical, emotional or mental harm. The Department shall provide notice of its determination to the minor's attorney and guardian ad litem within one business day of its determination.

(c) Provisions related to minors over 18. The Department shall not take any action to interfere with the right of a minor over 18 to speak with the news media.

(d) Court Review.

(1) Any party may file a motion seeking to enforce rights under this Section.

(2) If the minor does not have an attorney, the court shall appoint one for purposes of the motion.

(3) The Department shall facilitate the minor's presence in court for hearings on the motion if the minor wants to be present.

(4) The party filing the motion shall provide prior notice of the hearing to the involved news media.

(5) Minors over 18. If the court finds that the Department has interfered with the minor's right to communicate with the media, the court shall enjoin any further interference by the Department with the minor's contacts with the news media.

(6) Minors under 18. The Department shall have the burden of establishing by clear and convincing evidence: (i) that the minor does not have sufficient maturity to make his or her own decision to communicate with the news media and that contact with the news media will, more likely than not, cause the minor serious physical, emotional or mental harm; and (ii) that less restrictive means are insufficient to address the minor's lack of maturity or the risk of serious physical, emotional or mental harm. If the court finds by clear and convincing evidence that a minor under 18 years of age lacks sufficient maturity to make his or her own decision to communicate with the media and that the contact with the news media will, more likely than not, cause the minor serious physical, emotional, or mental harm, the court may issue an order identifying the specific limits that the Department may impose on the minor's communication with the news media. The order shall not permit the Department to prevent the minor from communicating with the news media unless it determines that no less restrictive means are available to address the likelihood of harm to the minor.

(7) The court shall not impose any limitations on the speech of a minor based on viewpoints the minor may express or information the minor may divulge, unless it is confidential information regarding third parties.

(8) All orders resolving motions brought under this subsection shall contain written findings in support of the court's ruling.

(e) As used in this Section, "interfere" includes, but is not limited to: withholding information from a minor about a news media outlet's request to speak with the minor, including any contact information necessary to respond to the request; preventing a minor from communicating with the news media; threatening or coercing the minor in any manner; or punishing or taking adverse action because of a minor's contact with the news media. "Interfere" does not include:

(1) providing information and advice about communicating with news media that is consistent with the minor's age, developmental capacity and circumstances, including information about the minor's right to refuse particular questions, the right to condition the participation upon a promise of anonymity or other privacy measures, the right to refuse to speak to the news media, and similar advice designed to enhance the minor's right to autonomy in communicating with the news media; and

(2) conducting an inquiry into (i) whether a minor under 18 is sufficiently mature to decide for themselves whether to communicate with the news media and (ii) whether communicating with the news media will more likely than not cause serious physical, emotional or mental harm to the minor under 18. The inquiry in this subsection must be concluded within one business day of the request from the news media.

(f) As used in this Section, "less restrictive means" are conditions on the minor's ability to communicate with the news media that mitigate the likelihood that physical, emotional, or mental harm will result, and include, but are not limited to:

(1) the news media outlet's willingness to take steps to protect the minor's privacy, such as using a pseudonym or limiting the use of the voice or image of a minor;

(2) the presence of the minor's guardian ad litem or attorney or another adult of the minor's choosing, during the communication with the news media; and

(3) providing the minor with age-appropriate media literacy materials or other relevant educational material.

PRESENTATION OF RESOLUTION

Senator Bush offered the following Senate Resolution, which was referred to the Committee on Assignments:

SENATE RESOLUTION NO. 321

WHEREAS, On May 31, 2019, the 101st General Assembly passed the Reproductive Health Act, which established laws and policies that protect individual decision-making in the area of reproductive health, supports access to the full scope of quality reproductive health care for all in our State, and permits regulation of reproductive health care, including contraception, abortion, and maternity care, only to the extent that such regulation is narrowly tailored to protect a compelling State interest; and

WHEREAS, Each individual has a fundamental right to make autonomous decisions about one's own reproductive health, including the fundamental right to use or refuse reproductive health care, contraception, or sterilization and to make autonomous decisions about how to exercise that right and the fundamental right of an individual who becomes pregnant to continue the pregnancy and give birth to a child or to have an abortion and to make autonomous decisions about how to exercise that right; and

WHEREAS, The Reproductive Health Act repealed the Illinois Abortion Law of 1975, the Partial-birth Abortion Ban Act, and the Abortion Performance Refusal Act; and

WHEREAS, The Governor approved of the Reproductive Health Act, and it became law on June 12, 2019; and

WHEREAS, On May 17, 2021, the United States Supreme Court granted the petition for writ of certiorari to *Dobbs v. Jackson Women's Health Organization* on Question 1 that is whether all pre-viability prohibitions on elective abortions are unconstitutional; and

[May 26, 2021]

WHEREAS, In the wake of this news, fundamental reproductive health rights and the United States constitutional right to abortion established by *Roe v. Wade* and *Planned Parenthood v. Casey* are in jeopardy; and

RESOLVED, BY THE SENATE OF THE ONE HUNDRED SECOND GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we declare our commitment to uphold the law and values embodied within the Reproductive Health Act; and be it further

RESOLVED, That suitable copies of this resolution be delivered to the Governor, all Illinois constitutional officers, and all members of the Illinois General Assembly in order to bring further awareness to the importance of upholding fundamental reproductive health rights for our residents of the State of Illinois and to be a model state for the rest of our country.

MESSAGES FROM THE HOUSE

A message from the House by

Mr. Hollman, Clerk:

Mr. President -- I am directed to inform the Senate that the House of Representatives has concurred with the Senate in the passage of a bill of the following title, to-wit:

SENATE BILL NO. 294

A bill for AN ACT concerning safety.

Together with the following amendment which is attached, in the adoption of which I am instructed to ask the concurrence of the Senate, to-wit:

House Amendment No. 1 to SENATE BILL NO. 294

[May 26, 2021]

Passed the House, as amended, May 26, 2021.

JOHN W. HOLLMAN, Clerk of the House

AMENDMENT NO. 1 TO SENATE BILL 294

AMENDMENT NO. 1. Amend Senate Bill 294 by replacing everything after the enacting clause with the following:

"Section 1. Short title. This Act may be cited as the Wipes Labeling Act.

Section 5. Findings. The General Assembly finds that creating labeling standards for disposable wipes products will protect public health, the environment, water quality, and public infrastructure used for the collection, transport, and treatment of wastewater. It is not the intent of the General Assembly to address standards for flushability with this Act.

Section 10. Definitions. In this Act:

"Covered entity" means:

- (1) the manufacturer of a covered product that is sold or offered for sale in this State; and
- (2) a wholesaler, supplier, or retailer that is responsible for the labeling or packaging of a covered product.

"Covered product" means a consumer product sold or offered for sale in the State that is either of the following:

- (1) A premoistened nonwoven disposable wipe marketed as a baby wipe or diapering wipe.
- (2) A premoistened nonwoven disposable wipe that is both of the following:
 - (A) Composed entirely of or in part of petrochemical-derived fibers.
 - (B) Likely to be used in a bathroom and has significant potential to be flushed, including baby wipes, bathroom cleaning wipes, toilet cleaning wipes, hard surface cleaning wipes, disinfecting wipes, hand sanitizing wipes, antibacterial wipes, facial and makeup removal wipes, general purpose cleaning wipes, personal care wipes for use on the body, feminine hygiene wipes, adult incontinence wipes, adult hygiene wipes, and body cleansing wipes.

"High contrast" means:

- (1) provided by either a light symbol on a solid dark background or a dark symbol on a solid light background; and
- (2) having at least 70% contrast between the symbol artwork and background using the formula $[(B1 - B2) / B1] * 100$, where B1 is the light reflectance value of the relatively lighter area and B2 is the light reflectance value of the relatively darker area.

"Jurisdictional wastewater authority" means a sanitary district, water reclamation district, municipality, county, or other unit of local government in this State responsible for the collection or treatment of wastewater.

"Label" means to represent by statement, word, picture, design, or emblem on a covered product package.

"Label notice" means the phrase "Do Not Flush" in a size equal to at least 2% of the surface area of the principal display panel. For covered products regulated pursuant to the Federal Hazardous Substances Act (15 U.S.C. 1261 et seq.) by the United States Consumer Product Safety Commission under Section 1500.121 of Title 16 of the Code of Federal Regulations, if the label notice requirements in this paragraph would result in a type size larger than first aid instructions pursuant to the Federal Hazardous Substances Act, then the type size for the label notice shall, to the extent permitted by federal law, be equal to or greater than the type size required for the first aid instructions. For covered products required to be registered by the United States Environmental Protection Agency under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. 136 et seq.), if the label notice requirements in this paragraph would result in a type size on the principal display panel larger than a warning pursuant to the Federal Insecticide, Fungicide, and Rodenticide Act, then the type size for the label notice shall, to the extent permitted by federal law, be equal to or greater than the type size required for the "Keep Out of Reach of Children" statement under 40 CFR 156.66.

"Principal display panel" means the side of the product package that is most likely to be displayed, presented, or shown under customary conditions of display for retail sale. In the case of a cylindrical or nearly cylindrical package, the surface area of the principal display panel constitutes 40% of the product package as measured by multiplying the height of the container by the circumference. In the case of a

flexible film package in which a rectangular prism or nearly rectangular prism stack of wipes is housed within the film, the surface area of the principal display panel is measured by multiplying the length by the width of the side of the package when the flexible packaging film is pressed flat against the stack of wipes on all sides of the stack.

"Symbol" means the "Do Not Flush" symbol, or a gender equivalent thereof, as depicted in the INDA/EDANA Code of Practice Second Edition and published within "Guidelines for Assessing the Flushability of Disposable Nonwoven Products," Edition 4, May 2018. The symbol shall be sized equal to at least 2% of the surface area of the principal display panel, except as specified in subdivision (iii) of paragraph (B) of subsection (a) of Section 15.

Section 15. Labeling requirements.

(a) Except as provided in subsections (b), (c), (d), and (f), a covered product manufactured on or after July 1, 2022 shall be labeled clearly and conspicuously in adherence to the following labeling requirements:

(1) In the case of cylindrical or near cylindrical packaging intended to dispense individual wipes, a covered entity shall comply with one of the following options:

(A) Place the symbol and label notice on the principal display panel in a location reasonably viewable each time a wipe is dispensed.

(B) Place the symbol on the principal display panel and either the symbol or label notice, or the symbol and label notice in combination, on the flip lid, subject to the following:

(i) If the label notice does not appear on the flip lid, the label notice shall be placed on the principal display panel.

(ii) The symbol or label notice, or the symbol and label notice in combination, on the flip lid may be embossed, and in that case are not required to comply with paragraph (6).

(iii) The symbol or label notice, or the symbol and label notice in combination, on the flip lid shall cover a minimum of 8% of the surface area of the flip lid.

(2) In the case of flexible film packaging intended to dispense individual wipes, a covered entity shall place the symbol on the principal display panel and dispensing side panel and shall place the label notice on either the principal display panel or dispensing side panel in a prominent location reasonably visible to the user each time a wipe is dispensed. If the principal display panel is on the dispensing side of the package, 2 symbols are not required.

(3) In the case of refillable tubs or other rigid packaging intended to dispense individual wipes and be reused by the consumer for that purpose, a covered entity shall place the symbol and label notice on the principal display panel in a prominent location reasonably visible to the user each time a wipe is dispensed.

(4) In the case of packaging not intended to dispense individual wipes, a covered entity shall place the symbol and label notice on the principal display panel in a prominent and reasonably visible location.

(5) A covered entity shall ensure that the packaging seams, folds, or other package design elements do not obscure the symbol or the label notice.

(6) A covered entity shall ensure that the symbol and label notice have sufficiently high contrast with the immediate background of the packaging to render it likely to be seen and read by the ordinary individual under customary conditions of purchase and use.

(b) For covered products sold in bulk at retail, both the outer package visible at retail and the individual packages contained within shall comply with the labeling requirements in subsection (a) applicable to the particular packaging types, except the following:

(1) Individual packages contained within the outer package that are not intended to dispense individual wipes and contain no retail labeling.

(2) Outer packages that do not obscure the symbol and label notice on individual packages contained within.

(c) If a covered product is provided within the same packaging as another consumer product for use in combination with the other consumer product, the outside retail packaging of the other consumer product does not need to comply with the labeling requirements of subsection (a).

(d) If a covered product is provided within the same package as another consumer product for use in combination with the other product and is in a package smaller than 3 inches by 3 inches, the covered entity

of the covered product may comply with the requirements of subsection (a) by placing the symbol and label notice in a prominent location reasonably visible to the user of the covered product.

(e) A covered entity, directly or through a corporation, partnership, subsidiary, division, trade name, or association in connection to the manufacturing, labeling, packaging, advertising, promotion, offering for sale, sale, or distribution of a covered product, shall not make any representation, in any manner, expressly or by implication, including through the use of a product name, endorsement, depiction, illustration, trademark, or trade name, about the flushable attributes, flushable benefits, flushable performance, or flushable efficacy of a covered product.

(f) If a covered product is required to be registered by the United States Environmental Protection Agency under the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. Sec. 136 et seq.) and the Illinois Department of Agriculture under the Illinois Pesticide Act, then the covered entity shall submit a label compliant with the labeling requirements of subsection (a) no later than July 1, 2023 to the United States Environmental Protection Agency.

If the United States Environmental Protection Agency or the Illinois Department of Agriculture does not approve a product label that otherwise complies with the labeling requirements of subsection (a), the covered entity shall use a label with as many of the requirements of this Section as the relevant agency has approved.

(g) A covered entity may include on a covered product words or phrases in addition to those required for the label notice if the words or phrases are consistent with the purposes of this Section.

Section 20. Nonconfidential business information. Upon a request by a jurisdictional wastewater authority, a covered entity must submit to the requesting entity, within 90 days after the request, nonconfidential business information and documentation demonstrating compliance with this Act in a format that is easy to understand.

Section 25. Jurisdictional wastewater authority; authority to enforce; civil penalties.

(a) Jurisdictional wastewater authorities have the concurrent and exclusive authority to enforce this Act and to collect civil penalties for violations of this Act, subject to the conditions in this Section. A jurisdictional wastewater authority may impose a civil penalty in the amount of up to \$2,000 for the first violation of this Act, up to \$5,000 for the second violation, and up to \$10,000 for the third and any subsequent violation. If a covered entity has paid a prior penalty for the same violation to a different jurisdictional wastewater authority with enforcement authority under this Section, the penalty imposed by a jurisdictional wastewater authority shall be reduced by the amount of the payment.

(b) Any civil penalties collected pursuant to this Section must be paid to the enforcing jurisdictional wastewater authority that brought the action.

(c) The remedies provided by this Section are not exclusive and are in addition to the remedies that may be available under relevant consumer protection laws, if applicable.

(d) In addition to penalties recovered under this Section, the enforcing jurisdictional wastewater authority may recover reasonable enforcement costs and attorneys' fees from the liable covered entity.

Section 30. Noncompliant covered entities. Covered entities that violate the requirements of this Act are subject to the civil penalties described in Section 25. A specific violation is deemed to have occurred upon the sale of a noncompliant product package. The sale of multiple units of the same noncompliant product package is considered part of the same, single violation. A jurisdictional wastewater authority must send a written notice of an alleged violation and a copy of the requirements of this Act to a noncompliant covered entity, which will have 90 days to become compliant. A jurisdictional wastewater authority may assess a first penalty if the covered entity has not met the requirements of this Act 90 days after the date the notification was sent. A jurisdictional wastewater authority may impose a second, third, and subsequent penalty on a covered entity that remains noncompliant with the requirements of this Act for every month of noncompliance.

Section 35. Home rule. A home rule unit may not regulate the labeling of covered products in a manner inconsistent with the regulation by the State of the labeling of covered products under this Act. This Section is a limitation under subsection (i) of Section 6 of Article VII of the Illinois Constitution on the concurrent exercise by home rule units of powers and functions exercised by the State.

Section 97. Severability. The provisions of this Act are severable under Section 1.31 of the Statute on Statutes.

Section 99. Effective date. This Act takes effect July 1, 2022."

Under the rules, the foregoing **Senate Bill No. 294**, with House Amendment No. 1, was referred to the Secretary's Desk.

(e) The Board shall charge each applicant a fee set by the Department of State Police to defray the costs associated with the search and classification of fingerprints obtained by the Board with respect to the applicant's application. These fees shall be paid into the State Police Services Fund. In order to expedite the application process, the Board may establish rules allowing applicants to acquire criminal background checks and financial integrity reviews as part of the initial application process from a list of vendors approved by the Board.

(f) The licensed owner shall be the person primarily responsible for the boat or casino itself. Only one gambling operation may be authorized by the Board on any riverboat or in any casino. The applicant must identify the riverboat or premises it intends to use and certify that the riverboat or premises: (1) has the authorized capacity required in this Act; (2) is accessible to persons with disabilities; and (3) is fully registered and licensed in accordance with any applicable laws.

(g) A person who knowingly makes a false statement on an application is guilty of a Class A misdemeanor.

(a) The Board shall issue owners licenses to persons or entities that apply for such licenses upon payment to the Board of the non-refundable license fee as provided in subsection (e) or (e-5) and upon a determination by the Board that the applicant is eligible for an owners license pursuant to this Act and the rules of the Board. From December 15, 2008 (the effective date of Public Act 95-1008) ~~this amendatory Act of the 95th General Assembly~~ until (i) 3 years after December 15, 2008 (the effective date of Public Act

~~95-1008) this amendatory Act of the 95th General Assembly, (ii) the date any organization licensee begins to operate a slot machine or video game of chance under the Illinois Horse Racing Act of 1975 or this Act, (iii) the date that payments begin under subsection (c-5) of Section 13 of this Act, (iv) the wagering tax imposed under Section 13 of this Act is increased by law to reflect a tax rate that is at least as stringent or more stringent than the tax rate contained in subsection (a-3) of Section 13, or (v) when an owners licensee holding a license issued pursuant to Section 7.1 of this Act begins conducting gaming, whichever occurs first, as a condition of licensure and as an alternative source of payment for those funds payable under subsection (c-5) of Section 13 of this Act, any owners licensee that holds or receives its owners license on or after May 26, 2006 (the effective date of Public Act 94-804) this amendatory Act of the 94th General Assembly, other than an owners licensee operating a riverboat with adjusted gross receipts in calendar year 2004 of less than \$200,000,000, must pay into the Horse Racing Equity Trust Fund, in addition to any other payments required under this Act, an amount equal to 3% of the adjusted gross receipts received by the owners licensee. The payments required under this Section shall be made by the owners licensee to the State Treasurer no later than 3:00 o'clock p.m. of the day after the day when the adjusted gross receipts were received by the owners licensee. A person or entity is ineligible to receive an owners license if:~~

(1) the person has been convicted of a felony under the laws of this State, any other state, or the United States;

(2) the person has been convicted of any violation of Article 28 of the Criminal Code of 1961 or the Criminal Code of 2012, or substantially similar laws of any other jurisdiction;

(7) (blank); or

(8) a license of the person or entity issued under this Act, or a license to own or operate gambling facilities in any other jurisdiction, has been revoked.

The Board is expressly prohibited from making changes to the requirement that licensees make payment into the Horse Racing Equity Trust Fund without the express authority of the Illinois General Assembly and making any other rule to implement or interpret Public Act 95-1008 ~~this amendatory Act of the 95th General Assembly~~. For the purposes of this paragraph, "rules" is given the meaning given to that term in Section 1-70 of the Illinois Administrative Procedure Act.

(b) In determining whether to grant an owners license to an applicant, the Board shall consider:

(1) the character, reputation, experience, and financial integrity of the applicants and of any other or separate person that either:

(A) controls, directly or indirectly, such applicant; or

(B) is controlled, directly or indirectly, by such applicant or by a person which controls, directly or indirectly, such applicant;

(2) the facilities or proposed facilities for the conduct of gambling;

(3) the highest prospective total revenue to be derived by the State from the conduct of gambling;

(4) the extent to which the ownership of the applicant reflects the diversity of the State by including minority persons, women, and persons with a disability and the good faith affirmative action plan of each applicant to recruit, train and upgrade minority persons, women, and persons with a disability in all employment classifications; the Board shall further consider granting an owners license and giving preference to an applicant under this Section to applicants in which minority persons and women hold ownership interest of at least 16% and 4%, respectively;

(4.5) the extent to which the ownership of the applicant includes veterans of service in the armed forces of the United States, and the good faith affirmative action plan of each applicant to recruit, train, and upgrade veterans of service in the armed forces of the United States in all employment classifications;

(5) the financial ability of the applicant to purchase and maintain adequate liability and casualty insurance;

(6) whether the applicant has adequate capitalization to provide and maintain, for the duration of a license, a riverboat or casino;

(7) the extent to which the applicant exceeds or meets other standards for the issuance of an owners license which the Board may adopt by rule;

(8) the amount of the applicant's license bid;

(9) the extent to which the applicant or the proposed host municipality plans to enter into revenue sharing agreements with communities other than the host municipality; ~~and~~

(10) the extent to which the ownership of an applicant includes the most qualified number of minority persons, women, and persons with a disability; ~~and-~~

(11) whether the applicant has entered into a fully executed construction project labor agreement with the applicable local building trades council.

(c) Each owners license shall specify the place where the casino shall operate or the riverboat shall operate and dock.

(d) Each applicant shall submit with his or her application, on forms provided by the Board, 2 sets of his or her fingerprints.

(e) In addition to any licenses authorized under subsection (e-5) of this Section, the Board may issue up to 10 licenses authorizing the holders of such licenses to own riverboats. In the application for an owners license, the applicant shall state the dock at which the riverboat is based and the water on which the riverboat will be located. The Board shall issue 5 licenses to become effective not earlier than January 1, 1991. Three of such licenses shall authorize riverboat gambling on the Mississippi River, or, with approval by the municipality in which the riverboat was docked on August 7, 2003 and with Board approval, be authorized to relocate to a new location, in a municipality that (1) borders on the Mississippi River or is within 5 miles of the city limits of a municipality that borders on the Mississippi River and (2) on August 7, 2003, had a riverboat conducting riverboat gambling operations pursuant to a license issued under this Act; one of which shall authorize riverboat gambling from a home dock in the city of East St. Louis; and one of which shall authorize riverboat gambling from a home dock in the City of Alton. One other license shall authorize riverboat gambling on the Illinois River in the City of East Peoria or, with Board approval, shall authorize land-based gambling operations anywhere within the corporate limits of the City of Peoria. The Board shall issue one additional license to become effective not earlier than March 1, 1992, which shall authorize riverboat gambling on the Des Plaines River in Will County. The Board may issue 4 additional licenses to become effective not earlier than March 1, 1992. In determining the water upon which riverboats will operate, the Board shall consider the economic benefit which riverboat gambling confers on the State, and shall seek to assure that all regions of the State share in the economic benefits of riverboat gambling.

In granting all licenses, the Board may give favorable consideration to economically depressed areas of the State, to applicants presenting plans which provide for significant economic development over a large geographic area, and to applicants who currently operate non-gambling riverboats in Illinois. The Board shall review all applications for owners licenses, and shall inform each applicant of the Board's decision. The Board may grant an owners license to an applicant that has not submitted the highest license bid, but if it does not select the highest bidder, the Board shall issue a written decision explaining why another applicant was selected and identifying the factors set forth in this Section that favored the winning bidder. The fee for issuance or renewal of a license pursuant to this subsection (e) shall be \$250,000.

(e-5) In addition to licenses authorized under subsection (e) of this Section:

(1) the Board may issue one owners license authorizing the conduct of casino gambling in the City of Chicago;

(2) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Danville;

(3) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Waukegan;

(4) the Board may issue one owners license authorizing the conduct of riverboat gambling in the City of Rockford;

(5) the Board may issue one owners license authorizing the conduct of riverboat gambling in a municipality that is wholly or partially located in one of the following townships of Cook County: Bloom, Bremen, Calumet, Rich, Thornton, or Worth Township; and

(6) the Board may issue one owners license authorizing the conduct of riverboat gambling in the unincorporated area of Williamson County adjacent to the Big Muddy River.

Except for the license authorized under paragraph (1), each application for a license pursuant to this subsection (e-5) shall be submitted to the Board no later than 120 days after June 28, 2019 (the effective date of Public Act 101-31). All applications for a license under this subsection (e-5) shall include the nonrefundable application fee and the nonrefundable background investigation fee as provided in subsection (d) of Section 6 of this Act. In the event that an applicant submits an application for a license pursuant to this subsection (e-5) prior to June 28, 2019 (the effective date of Public Act 101-31), such applicant shall submit the nonrefundable application fee and background investigation fee as provided in subsection (d) of Section 6 of this Act no later than 6 months after June 28, 2019 (the effective date of Public Act 101-31).

The Board shall consider issuing a license pursuant to paragraphs (1) through (6) of this subsection only after the corporate authority of the municipality or the county board of the county in which the riverboat or casino shall be located has certified to the Board the following:

- (i) that the applicant has negotiated with the corporate authority or county board in good faith;
- (ii) that the applicant and the corporate authority or county board have mutually agreed on the permanent location of the riverboat or casino;
- (iii) that the applicant and the corporate authority or county board have mutually agreed on the temporary location of the riverboat or casino;
- (iv) that the applicant and the corporate authority or the county board have mutually agreed on the percentage of revenues that will be shared with the municipality or county, if any;
- (v) that the applicant and the corporate authority or county board have mutually agreed on any zoning, licensing, public health, or other issues that are within the jurisdiction of the municipality or county;
- (vi) that the corporate authority or county board has passed a resolution or ordinance in support of the riverboat or casino in the municipality or county;
- (vii) the applicant for a license under paragraph (1) has made a public presentation concerning its casino proposal; and
- (viii) the applicant for a license under paragraph (1) has prepared a summary of its casino proposal and such summary has been posted on a public website of the municipality or the county.

At least 7 days before the corporate authority of a municipality or county board of the county submits a certification to the Board concerning items (i) through (viii) of this subsection, it shall hold a public hearing to discuss items (i) through (viii), as well as any other details concerning the proposed riverboat or casino in the municipality or county. The corporate authority or county board must subsequently memorialize the details concerning the proposed riverboat or casino in a resolution that must be adopted by a majority of the corporate authority or county board before any certification is sent to the Board. The Board shall not alter, amend, change, or otherwise interfere with any agreement between the applicant and the corporate authority of the municipality or county board of the county regarding the location of any temporary or permanent facility.

In addition, within 10 days after June 28, 2019 (the effective date of Public Act 101-31), the Board, with consent and at the expense of the City of Chicago, shall select and retain the services of a nationally recognized casino gaming feasibility consultant. Within 45 days after June 28, 2019 (the effective date of Public Act 101-31), the consultant shall prepare and deliver to the Board a study concerning the feasibility of, and the ability to finance, a casino in the City of Chicago. The feasibility study shall be delivered to the Mayor of the City of Chicago, the Governor, the President of the Senate, and the Speaker of the House of Representatives. Ninety days after receipt of the feasibility study, the Board shall make a determination, based on the results of the feasibility study, whether to recommend to the General Assembly that the terms of the license under paragraph (1) of this subsection (e-5) should be modified. The Board may begin accepting applications for the owners license under paragraph (1) of this subsection (e-5) upon the determination to issue such an owners license.

In addition, prior to the Board issuing the owners license authorized under paragraph (4) of subsection (e-5), an impact study shall be completed to determine what location in the city will provide the greater impact to the region, including the creation of jobs and the generation of tax revenue.

(e-10) The licenses authorized under subsection (e-5) of this Section shall be issued within 12 months after the date the license application is submitted. If the Board does not issue the licenses within that time period, then the Board shall give a written explanation to the applicant as to why it has not reached a determination and when it reasonably expects to make a determination. The fee for the issuance or renewal of a license issued pursuant to this subsection (e-10) shall be \$250,000. Additionally, a licensee located outside of Cook County shall pay a minimum initial fee of \$17,500 per gaming position, and a licensee

located in Cook County shall pay a minimum initial fee of \$30,000 per gaming position. The initial fees payable under this subsection (e-10) shall be deposited into the Rebuild Illinois Projects Fund. If at any point after June 1, 2020 there are no pending applications for a license under subsection (e-5) and not all licenses authorized under subsection (e-5) have been issued, then the Board shall reopen the license application process for those licenses authorized under subsection (e-5) that have not been issued. The Board shall follow the licensing process provided in subsection (e-5) with all time frames tied to the last date of a final order issued by the Board under subsection (e-5) rather than the effective date of the amendatory Act.

(e-15) Each licensee of a license authorized under subsection (e-5) of this Section shall make a reconciliation payment 3 years after the date the licensee begins operating in an amount equal to 75% of the adjusted gross receipts for the most lucrative 12-month period of operations, minus an amount equal to the initial payment per gaming position paid by the specific licensee. Each licensee shall pay a \$15,000,000 reconciliation fee upon issuance of an owners license. If this calculation results in a negative amount, then the licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 6 years.

All payments by licensees under this subsection (e-15) shall be deposited into the Rebuild Illinois Projects Fund.

(e-20) In addition to any other revocation powers granted to the Board under this Act, the Board may revoke the owners license of a licensee which fails to begin conducting gambling within 15 months of receipt of the Board's approval of the application if the Board determines that license revocation is in the best interests of the State.

(f) The first 10 owners licenses issued under this Act shall permit the holder to own up to 2 riverboats and equipment thereon for a period of 3 years after the effective date of the license. Holders of the first 10 owners licenses must pay the annual license fee for each of the 3 years during which they are authorized to own riverboats.

(g) Upon the termination, expiration, or revocation of each of the first 10 licenses, which shall be issued for a 3-year period, all licenses are renewable annually upon payment of the fee and a determination by the Board that the licensee continues to meet all of the requirements of this Act and the Board's rules. However, for licenses renewed on or after the effective date of this amendatory Act of the 102nd General Assembly May 1, 1998, renewal shall be for a period of 4 years, ~~unless the Board sets a shorter period.~~

(h) An owners license, except for an owners license issued under subsection (e-5) of this Section, shall entitle the licensee to own up to 2 riverboats.

An owners licensee of a casino or riverboat that is located in the City of Chicago pursuant to paragraph (1) of subsection (e-5) of this Section shall limit the number of gaming positions to 4,000 for such owner. An owners licensee authorized under subsection (e) or paragraph (2), (3), (4), or (5) of subsection (e-5) of this Section shall limit the number of gaming positions to 2,000 for any such owners license. An owners licensee authorized under paragraph (6) of subsection (e-5) of this Section shall limit the number of gaming positions to 1,200 for such owner. The initial fee for each gaming position obtained on or after June 28, 2019 (the effective date of Public Act 101-31) shall be a minimum of \$17,500 for licensees not located in Cook County and a minimum of \$30,000 for licensees located in Cook County, in addition to the reconciliation payment, as set forth in subsection (e-15) of this Section. The fees under this subsection (h) shall be deposited into the Rebuild Illinois Projects Fund. The fees under this subsection (h) that are paid by an owners licensee authorized under subsection (e) shall be paid by July 1, 2021.

Each owners licensee under subsection (e) of this Section shall reserve its gaming positions within 30 days after June 28, 2019 (the effective date of Public Act 101-31). The Board may grant an extension to this 30-day period, provided that the owners licensee submits a written request and explanation as to why it is unable to reserve its positions within the 30-day period.

Each owners licensee under subsection (e-5) of this Section shall reserve its gaming positions within 30 days after issuance of its owners license. The Board may grant an extension to this 30-day period, provided that the owners licensee submits a written request and explanation as to why it is unable to reserve its positions within the 30-day period.

A licensee may operate both of its riverboats concurrently, provided that the total number of gaming positions on both riverboats does not exceed the limit established pursuant to this subsection. Riverboats licensed to operate on the Mississippi River and the Illinois River south of Marshall County shall have an authorized capacity of at least 500 persons. Any other riverboat licensed under this Act shall have an authorized capacity of at least 400 persons.

(h-5) An owners licensee who conducted gambling operations prior to January 1, 2012 and obtains positions pursuant to Public Act 101-31 shall make a reconciliation payment 3 years after any additional gaming positions begin operating in an amount equal to 75% of the owners licensee's average gross receipts for the most lucrative 12-month period of operations minus an amount equal to the initial fee that the owners licensee paid per additional gaming position. For purposes of this subsection (h-5), "average gross receipts" means (i) the increase in adjusted gross receipts for the most lucrative 12-month period of operations over the adjusted gross receipts for 2019, multiplied by (ii) the percentage derived by dividing the number of additional gaming positions that an owners licensee had obtained by the total number of gaming positions operated by the owners licensee. If this calculation results in a negative amount, then the owners licensee is not entitled to any reimbursement of fees previously paid. This reconciliation payment may be made in installments over a period of no more than 6 years. These reconciliation payments shall be deposited into the Rebuild Illinois Projects Fund.

(i) A licensed owner is authorized to apply to the Board for and, if approved therefor, to receive all licenses from the Board necessary for the operation of a riverboat or casino, including a liquor license, a license to prepare and serve food for human consumption, and other necessary licenses. All use, occupation, and excise taxes which apply to the sale of food and beverages in this State and all taxes imposed on the sale or use of tangible personal property apply to such sales aboard the riverboat or in the casino.

(j) The Board may issue or re-issue a license authorizing a riverboat to dock in a municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the municipality in which the riverboat will dock has by a majority vote approved the docking of riverboats in the municipality. The Board may issue or re-issue a license authorizing a riverboat to dock in areas of a county outside any municipality or approve a relocation under Section 11.2 only if, prior to the issuance or re-issuance of the license or approval, the governing body of the county has by a majority vote approved of the docking of riverboats within such areas.

(k) An owners licensee may conduct land-based gambling operations upon approval by the Board and payment of a fee of \$250,000, which shall be deposited into the State Gaming Fund.

(l) An owners licensee may conduct gaming at a temporary facility pending the construction of a permanent facility or the remodeling or relocation of an existing facility to accommodate gaming participants for up to 24 months after the temporary facility begins to conduct gaming. Upon request by an owners licensee and upon a showing of good cause by the owners licensee, the Board shall extend the period during which the licensee may conduct gaming at a temporary facility by up to 12 months. The Board shall make rules concerning the conduct of gaming from temporary facilities.

(a) A person under 21 years of age who has been convicted of a misdemeanor other than a traffic offense or adjudged delinquent;

(b) This subsection (b) applies through the 180th day following the effective date of this amendatory Act of the 101st General Assembly. A person under 21 years of age who does not have the written consent of his parent or guardian to acquire and possess firearms and firearm ammunition,

(u) A person who has had his or her Firearm Owner's Identification Card revoked or denied under subsection (e) of this Section or item (iv) of paragraph (2) of subsection (a) of Section 4 of this Act because he or she was a patient in a mental health facility as provided in subsection (e) of this Section, shall not be permitted to obtain a Firearm Owner's Identification Card, after the 5-year period has lapsed, unless he or she has received a mental health evaluation by a physician, clinical psychologist, or qualified examiner as those terms are defined in the Mental Health and Developmental Disabilities Code, and has received a certification that he or she is not a clear and present danger to himself, herself, or others. The physician, clinical psychologist, or qualified examiner making the certification and his or her employer shall not be held criminally, civilly, or professionally liable for making or not making the certification required under this subsection, except for willful or wanton misconduct. This subsection does not apply to a person whose firearm possession rights have been restored through administrative or judicial action under Section 10 or 11 of this Act.

Upon revocation of a person's Firearm Owner's Identification Card, the Department of State Police shall provide notice to the person and the person shall comply with Section 9.5 of this Act.

(430 ILCS 65/10) (from Ch. 38, par. 83-10)

Sec. 10. Appeal to director; hearing; relief from firearm prohibitions.

(a) Whenever an application for a Firearm Owner's Identification Card is denied, whenever the Department fails to act on an application within 30 days of its receipt, or whenever such a Card is revoked or seized as provided for in Section 8 of this Act, the aggrieved party may appeal to the Director of State Police for a hearing upon such denial, revocation or seizure, unless the denial, revocation, or seizure was based upon a forcible felony, stalking, aggravated stalking, domestic battery, any violation of the Illinois Controlled Substances Act, the Methamphetamine Control and Community Protection Act, or the Cannabis Control Act that is classified as a Class 2 or greater felony, any felony violation of Article 24 of the Criminal Code of 1961 or the Criminal Code of 2012, or any adjudication as a delinquent minor for the commission of an offense that if committed by an adult would be a felony, in which case the aggrieved party may petition the circuit court in writing in the county of his or her residence for a hearing upon such denial, revocation, or seizure.

(b) At least 30 days before any hearing in the circuit court, the petitioner shall serve the relevant State's Attorney with a copy of the petition. The State's Attorney may object to the petition and present evidence. At the hearing the court shall determine whether substantial justice has been done. Should the court determine that substantial justice has not been done, the court shall issue an order directing the Department of State Police to issue a Card. However, the court shall not issue the order if the petitioner is otherwise prohibited from obtaining, possessing, or using a firearm under federal law.

(c) Any person prohibited from possessing a firearm under Sections 24-1.1 or 24-3.1 of the Criminal Code of 2012 or acquiring a Firearm Owner's Identification Card under Section 8 of this Act may apply to the Director of State Police or petition the circuit court in the county where the petitioner resides, whichever is applicable in accordance with subsection (a) of this Section, requesting relief from such prohibition and the Director or court may grant such relief if it is established by the applicant to the court's or Director's satisfaction that:

(0.05) when in the circuit court, the State's Attorney has been served with a written copy of the petition at least 30 days before any such hearing in the circuit court and at the hearing the State's Attorney was afforded an opportunity to present evidence and object to the petition;

(1) the applicant has not been convicted of a forcible felony under the laws of this State or any other jurisdiction within 20 years of the applicant's application for a Firearm Owner's Identification Card, or at least 20 years have passed since the end of any period of imprisonment imposed in relation to that conviction;

(2) the circumstances regarding a criminal conviction, where applicable, the applicant's criminal history and his reputation are such that the applicant will not be likely to act in a manner dangerous to public safety;

(3) granting relief would not be contrary to the public interest; and

(4) granting relief would not be contrary to federal law.

(c-5) (1) An active law enforcement officer employed by a unit of government or a Department of Corrections employee authorized to possess firearms, who is denied, revoked, or has his or her Firearm Owner's Identification Card seized under subsection (e) of Section 8 of this Act may apply to the Director of State Police requesting relief if the officer or employee did not act in a manner threatening to the officer or employee, another person, or the public as determined by the treating clinical psychologist or physician, and as a result of his or her work is referred by the employer for or voluntarily seeks mental health evaluation or treatment by a licensed clinical psychologist, psychiatrist, or qualified examiner, and:

(A) the officer or employee has not received treatment involuntarily at a mental health facility, regardless of the length of admission; or has not been voluntarily admitted to a mental health facility for more than 30 days and not for more than one incident within the past 5 years; and

(B) the officer or employee has not left the mental institution against medical advice.

(2) The Director of State Police shall grant expedited relief to active law enforcement officers and employees described in paragraph (1) of this subsection (c-5) upon a determination by the Director that the officer's or employee's possession of a firearm does not present a threat to themselves, others, or public safety. The Director shall act on the request for relief within 30 business days of receipt of:

(A) a notarized statement from the officer or employee in the form prescribed by the Director detailing the circumstances that led to the hospitalization;

(B) all documentation regarding the admission, evaluation, treatment and discharge from the treating licensed clinical psychologist or psychiatrist of the officer;

(C) a psychological fitness for duty evaluation of the person completed after the time of discharge; and

(D) written confirmation in the form prescribed by the Director from the treating licensed clinical psychologist or psychiatrist that the provisions set forth in paragraph (1) of this subsection (c-5) have been met, the person successfully completed treatment, and their professional opinion regarding the person's ability to possess firearms.

(3) Officers and employees eligible for the expedited relief in paragraph (2) of this subsection (c-5) have the burden of proof on eligibility and must provide all information required. The Director may not consider granting expedited relief until the proof and information is received.

(4) "Clinical psychologist", "psychiatrist", and "qualified examiner" shall have the same meaning as provided in Chapter I of the Mental Health and Developmental Disabilities Code.

(c-10) (1) An applicant, who is denied, revoked, or has his or her Firearm Owner's Identification Card seized under subsection (e) of Section 8 of this Act based upon a determination of a developmental disability or an intellectual disability may apply to the Director of State Police requesting relief.

(2) The Director shall act on the request for relief within 60 business days of receipt of written certification, in the form prescribed by the Director, from a physician or clinical psychologist, or qualified examiner, that the aggrieved party's developmental disability or intellectual disability condition is determined by a physician, clinical psychologist, or qualified to be mild. If a fact-finding conference is scheduled to obtain additional information concerning the circumstances of the denial or revocation, the 60 business days the Director has to act shall be tolled until the completion of the fact-finding conference.

(3) The Director may grant relief if the aggrieved party's developmental disability or intellectual disability is mild as determined by a physician, clinical psychologist, or qualified examiner and it is established by the applicant to the Director's satisfaction that:

(A) granting relief would not be contrary to the public interest; and

(B) granting relief would not be contrary to federal law.

(4) The Director may not grant relief if the condition is determined by a physician, clinical psychologist, or qualified examiner to be moderate, severe, or profound.

(5) The changes made to this Section by this amendatory Act of the 99th General Assembly apply to requests for relief pending on or before the effective date of this amendatory Act, except that the 60-day period for the Director to act on requests pending before the effective date shall begin on the effective date of this amendatory Act.

(d) When a minor is adjudicated delinquent for an offense which if committed by an adult would be a felony, the court shall notify the Department of State Police.

(e) The court shall review the denial of an application or the revocation of a Firearm Owner's Identification Card of a person who has been adjudicated delinquent for an offense that if committed by an adult would be a felony if an application for relief has been filed at least 10 years after the adjudication of delinquency and the court determines that the applicant should be granted relief from disability to obtain a Firearm Owner's Identification Card. If the court grants relief, the court shall notify the Department of State Police that the disability has been removed and that the applicant is eligible to obtain a Firearm Owner's Identification Card.

(f) Any person who is subject to the disabilities of 18 U.S.C. 922(d)(4) and 922(g)(4) of the federal Gun Control Act of 1968 because of an adjudication or commitment that occurred under the laws of this State or who was determined to be subject to the provisions of subsections (e), (f), or (g) of Section 8 of this Act may apply to the Department of State Police requesting relief from that prohibition. The Director shall grant the relief if it is established by a preponderance of the evidence that the person will not be likely to act in a manner dangerous to public safety and that granting relief would not be contrary to the public interest. In making this determination, the Director shall receive evidence concerning (i) the circumstances regarding the firearms disabilities from which relief is sought; (ii) the petitioner's mental health and criminal history records, if any; (iii) the petitioner's reputation, developed at a minimum through character witness statements, testimony, or other character evidence; and (iv) changes in the petitioner's condition or circumstances since the disqualifying events relevant to the relief sought. If relief is granted under this subsection or by order of a court under this Section, the Director shall as soon as practicable but in no case later than 15 business days, update, correct, modify, or remove the person's record in any database that the Department of State Police makes available to the National Instant Criminal Background Check System and notify the United States Attorney General that the basis for the record being made available no longer applies. The Department of State Police shall adopt rules for the administration of this Section. (Source: P.A. 98-63, eff. 7-9-13; 99-29, eff. 7-10-15; 99-78, eff. 7-20-15.)

Section 10. The Unified Code of Corrections is amended by adding Section 3-2-13 as follows:
(730 ILCS 5/3-2-13 new)

Sec. 3-2-13. Possession of a Firearm Owner's Identification Card. The Department of Corrections shall not make possession of a Firearm Owner's Identification Card a condition of continued employment as a Department employee authorized to possess firearms if the employee's Firearm Owner's Identification Card is revoked or seized because the employee has been a patient of a mental health facility and the employee has not been determined to pose a clear and present danger to himself, herself, or others as determined by a physician, clinical psychologist, or qualified examiner. Nothing in this Section shall otherwise impair the Department's ability to determine an employee's fitness for duty. A collective bargaining agreement already in effect on this issue on the effective date of this amendatory Act of the 102nd General Assembly cannot be modified, but on or after the effective date of this amendatory Act of the 102nd General Assembly, the Department cannot require a Firearm Owner's Identification Card as a condition of continued employment in a collective bargaining agreement. The Department shall document if and why an employee has been determined to pose a clear and present danger. In this Section, "mental health facility" and "qualified examiner" have the meanings provided in the Mental Health and Developmental Disabilities Code."
