AMENDMENT NO. 1 TO HOUSE BILL 316

AMENDMENT NO. 1. Amend House Bill 316 on page 1, by replacing line 5 with "changing Sections 205.1 and 500-77 as follows:"; and

on page 1, immediately below line 5, by inserting the following:

"(215 ILCS 5/205.1)

Sec. 205.1. Policyholder collateral, deductible reimbursements, and other policyholder obligations.

(a) Any collateral held by, for the benefit of, or assigned to the insurer or the Director as rehabilitator or liquidator to secure the obligations of a policyholder under a deductible agreement shall not be considered an asset of the estate and shall be maintained and administered by the Director as rehabilitator or liquidator as provided in this Section and notwithstanding any other provision of law or contract to the contrary.

(b) If the collateral is being held by, for the benefit of, or assigned to the insurer or subsequently the Director as rehabilitator or liquidator to secure obligations under a deductible agreement with a policyholder, subject to the provisions of this Section, the collateral shall be used to secure the policyholder's obligation to fund or reimburse claims payment within the agreed deductible amount.

(c) If a claim that is subject to a deductible agreement and secured by collateral is not covered by any guaranty association or the Illinois Insurance Guaranty Fund and the policyholder is unwilling or unable to take over the handling and payment of the non-covered claims, the Director as rehabilitator or liquidator shall adjust and pay the non-covered claims utilizing the collateral but only to the extent the available collateral after allocation under subsection (d), is sufficient to pay all outstanding and anticipated claims. If the collateral is exhausted and the insured is not able to provide funds to pay the remaining claims within the deductible after all reasonable means of collection against the insured have been exhausted, the Director's obligation to pay such claims from the collateral as the rehabilitator or liquidator terminates, and the remaining claims shall be claims against the insurer's estate subject to complying with other provisions in this Article for the filing and allowance of such claims. When the liquidator determines that the collateral is insufficient to pay all additional and anticipated claims, the liquidator may file a plan for equitably allocating the collateral among claimants, subject to court

approval.

(d) To the extent that the Director as rehabilitator or liquidator is holding collateral provided by a policyholder that was obtained to secure a deductible agreement and to secure other obligations of the policyholder to pay the insurer, directly or indirectly, amounts that become assets of the estate, such as reinsurance obligations under a captive reinsurance program or adjustable premium obligations under a retrospectively rated insurance policy where the premium due is subject to adjustment based upon actual loss experience, the Director as rehabilitator or liquidator shall equitably allocate the collateral among such obligations and administer the collateral allocated to the deductible agreement pursuant to this Section. With respect to the collateral allocated to obligations under the deductible agreement, if the collateral secured reimbursement obligations under more than one line of insurance, then the collateral shall be equitably allocated among the various lines based upon the estimated ultimate exposure within the deductible amount for each line. The Director as rehabilitator or liquidator shall inform the guaranty association or the Illinois Insurance Guaranty Fund that is or may be obligated for claims against the insurer of the method and details of all the foregoing allocations.

(e) Regardless of whether there is collateral, if the insurer has contractually agreed to allow the policyholder to fund its own claims within the deductible amount pursuant to a deductible agreement, either through the policyholder's own administration of its claims or through the policyholder providing funds directly to a third party administrator who administers the claims, the Director as rehabilitator or liquidator shall allow such funding arrangement to continue and, where applicable, will enforce such arrangements to the fullest extent possible. The funding of such claims by the policyholder within the deductible amount will act as a bar to any claim for such amount in the liquidation proceeding, including but not limited to any such claim by the policyholder or the third party claimant. The funding will extinguish both the obligation, if any, of any guaranty association or the Illinois Insurance Guaranty Fund to pay such claims within the deductible amount, as well as the obligations, if any, of the policyholder or third party administrator to reimburse the guaranty association or the Illinois Insurance Guaranty Fund. No charge of any kind shall be made by the Director as rehabilitator or liquidator against any guaranty association or the Illinois Insurance Guaranty Fund on the basis of the policyholder funding of claims payment made pursuant to the mechanism set forth in this subsection.

(f) If the insurer has not contractually agreed to allow the policyholder to fund its own claims within the deductible amount, to the extent a guaranty association or the Illinois Insurance Guaranty Fund is required by applicable state law to pay any claims for which the insurer would be or would have been entitled to reimbursement from the policyholder under the terms of the deductible agreement and to the extent the claims have not been paid by a policyholder or third party, the Director as rehabilitator or liquidator shall promptly bill the policyholder for such reimbursement and the policyholder will be obligated to pay such amount to the Director as rehabilitator or liquidator for the benefit of the guaranty association or the Illinois Insurance Guaranty Fund that paid such claims. Neither the insolvency of the insurer, nor its inability to perform any of its obligations under the deductible agreement, shall be a defense to the policyholder's reimbursement obligation under the deductible agreement. When the policyholder reimbursements are collected, the Director as rehabilitator or liquidator shall promptly reimburse the guaranty association or the Illinois Insurance Guaranty Fund for claims paid that were subject to the deductible. If the policyholder fails to pay the amounts due within 60 days after such bill for such reimbursements is due, the Director as rehabilitator or liquidator shall use the collateral to the extent necessary to reimburse the guaranty association or the Illinois Insurance Guaranty Fund, and, at the same time, may pursue other collections efforts against the policyholder. If more than one guaranty association or the Illinois Insurance Guaranty Fund has a claim against the same collateral and the available collateral (after allocation under subsection (d)), along with billing and collection efforts, are together insufficient to pay each guaranty association or the Illinois Insurance Guaranty Fund in full, then the Director as rehabilitator or liquidator will pro-rate payments to each guaranty association or the Illinois Insurance Guaranty Fund based upon the relationship the amount of claims each guaranty association or the Illinois Insurance Guaranty Fund has paid bears to the total of all claims paid by such guaranty association or the Illinois Insurance Guaranty Fund.

(g) Director's duties and powers as rehabilitator or liquidator.

(1) The Director as rehabilitator or liquidator is entitled to deduct from reimbursements owed to guaranty associations or the Illinois Insurance Guaranty Fund or collateral to be returned to a policyholder reasonable actual expenses incurred in fulfilling the responsibilities under this provision, not to exceed 3% of the collateral or the total deductible reimbursements actually collected by the Director as rehabilitator or liquidator.

(2) With respect to claim payments made by any guaranty association or the Illinois Insurance Guaranty Fund, the Director as rehabilitator or liquidator shall promptly provide the court,

[May 11, 2005]

with a copy ~~to~~ of the guaranty associations or the Illinois Insurance Guaranty Fund, with a complete report of the Director's deductible billing and collection activities as rehabilitator or liquidator including copies of the policyholder billings when rendered, the reimbursements collected, the available amounts and use of collateral for each policyholder, and any pro-ration of payments when it occurs. If the Director as rehabilitator or liquidator fails to make a good faith effort within 120 days of receipt of claims payment reports to collect reimbursements due from a policyholder under a deductible agreement based on claim payments made by one or more guaranty associations or the Illinois Insurance Guaranty Fund, then after such 120 day period such guaranty associations or the Illinois Insurance Guaranty Fund may pursue collection from the policyholders directly on the same basis as the Director as rehabilitator or liquidator, and with the same rights and remedies, and will report any amounts so collected from each policyholder to the Director as rehabilitator ~~or~~ liquidator, ~~or conservator~~. To the extent that guaranty associations or the Illinois Insurance Guaranty Fund pay claims within the deductible amount, but are not reimbursed by either the Director as rehabilitator, liquidator, or conservator under this Section or by policyholder payments from the guaranty associations' or the Illinois Insurance Guaranty Fund's own collection efforts, the guaranty association or the Illinois Insurance Guaranty Fund shall have a claim in the insolvent insurer's estate for such un-reimbursed claims payments.

(3) The Director as rehabilitator or liquidator shall periodically adjust the collateral being held as the claims subject to the deductible agreement are run-off, provided that adequate collateral is maintained to secure the entire estimated ultimate obligation of the policyholder plus a reasonable safety factor, and the Director as rehabilitator or liquidator shall not be required to adjust the collateral more than once a year. The guaranty associations or the Illinois Insurance Guaranty Fund shall be informed of all such collateral reviews, including but not limited to the basis for the adjustment. Once all claims covered by the collateral have been paid and the Director as rehabilitator or liquidator is satisfied that no new claims can be presented, the Director as rehabilitator or liquidator will release any remaining collateral to the policyholder.

(h) The Illinois Circuit Court having jurisdiction over the liquidation proceedings shall have jurisdiction to resolve disputes arising under this provision.

(i) Nothing in this Section is intended to limit or adversely affect any right the guaranty associations or the Illinois Insurance Guaranty Fund may have under applicable state law to obtain reimbursement from certain classes of policyholders for claims payments made by such guaranty associations or the Illinois Insurance Guaranty Fund under policies of the insolvent insurer, or for related expenses the guaranty associations or the Illinois Insurance Guaranty Fund incur.

(j) This Section applies to all receivership proceedings under Article XIII that either (1) commence on or after the effective date of this amendatory Act of the 93rd General Assembly or (2) are on file or open on the effective date of this amendatory Act of the 93rd General Assembly and in which an Order of Liquidation is entered on or after May 1, 2004. However, this Section applies to rehabilitation proceedings only to the extent that guaranty associations are required to pay claims and does not apply to receivership proceedings in which only an order of conservation has been entered.

(k) For purposes of this Section, a "deductible agreement" is any combination of one or more policies, endorsements, contracts, or security agreements, which provide for the policyholder to bear the risk of loss within a specified amount per claim or occurrence covered under a policy of insurance, and may be subject to the aggregate limit of policyholder reimbursement obligations. This Section shall not apply to first party claims, or to claims funded by a guaranty association or the Illinois Insurance Guaranty Fund in excess of the deductible unless subsection (e) above applies. The term "non-covered claim" shall mean a claim that is subject to a deductible agreement and is not covered by a guaranty association or the Illinois Insurance Guaranty Fund.

AMENDMENT NO. 1 TO HOUSE BILL 551

AMENDMENT NO. 1. Amend House Bill 551 by replacing everything after the enacting clause with the following:

"Section 5. The Property Tax Code is amended by changing Sections 21-15, 21-20, 21-25, 21-30, and 21-310 as follows:

(35 ILCS 200/21-15)

Sec. 21-15. General tax due dates; default by mortgage lender. Except as otherwise provided in this Section or Section 21-40, all property upon which the first installment of taxes remains unpaid on June 1

[May 11, 2005]

annually shall be deemed delinquent and shall bear interest after June 1 at the rate of 1 1/2% per month or portion thereof. Except as otherwise provided in this Section or Section 21-40, all property upon which the second installment of taxes remains due and unpaid on September 1, annually, shall be deemed delinquent and shall bear interest after September 1 at the same interest rate. All interest collected shall be paid into the general fund of the county. Payment received by mail and postmarked on or before the required due date is not delinquent.

Property not subject to the interest charge in Section 9-260 or Section 9-265 shall also not be subject to the interest charge imposed by this Section until such time as the owner of the property receives actual notice of and is billed for the principal amount of back taxes due and owing.

If an Illinois resident who is a member of the Illinois National Guard or a reserve component of the armed forces of the United States and who has an ownership interest in property taxed under this Act is called to active duty for deployment outside the continental United States and is on active duty on the due date of any installment of taxes due under this Act, he or she shall not be deemed delinquent in the payment of the installment and no interest shall accrue or be charged as a penalty on the installment until 180 ~~30~~ days after that member returns from active duty. To be deemed not delinquent in the payment of an installment of taxes and any interest on that installment, the reservist or guardsperson must make a reasonable effort to notify the county clerk and the county collector of his or her activation to active duty and must notify the county clerk and the county collector within 180 days after his or her deactivation and provide verification of the date of his or her deactivation. An installment of property taxes on the property of any reservist or guardsperson who fails to provide timely notice and verification of deactivation to the county clerk is subject to interest and penalties as delinquent taxes under this Code from the date of deactivation.

Notwithstanding any other provision of law, when any unpaid taxes become delinquent under this Section through the fault of the mortgage lender, (i) the interest assessed under this Section for delinquent taxes shall be charged against the mortgage lender and not the mortgagor and (ii) the mortgage lender shall pay the taxes, redeem the property and take all necessary steps to remove any liens accruing against the property because of the delinquency. In the event that more than one entity meets the definition of mortgage lender with respect to any mortgage, the interest shall be assessed against the mortgage lender responsible for servicing the mortgage. Unpaid taxes shall be deemed delinquent through the fault of the mortgage lender only if: (a) the mortgage lender has received all payments due the mortgage lender for the property being taxed under the written terms of the mortgage or promissory note secured by the mortgage, (b) the mortgage lender holds funds in escrow to pay the taxes, and (c) the funds are sufficient to pay the taxes after deducting all amounts reasonably anticipated to become due for all hazard insurance premiums and mortgage insurance premiums and any other assessments to be paid from the escrow under the terms of the mortgage. For purposes of this Section, an amount is reasonably anticipated to become due if it is payable within 12 months from the time of determining the sufficiency of funds held in escrow. Unpaid taxes shall not be deemed delinquent through the fault of the mortgage lender if the mortgage lender was directed in writing by the mortgagor not to pay the property taxes, or if the failure to pay the taxes when due resulted from inadequate or inaccurate parcel information provided by the mortgagor, a title or abstract company, or by the agency or unit of government assessing the tax.

The second installment of unpaid taxes shall be deemed delinquent and shall bear interest after August 1 annually at the same interest rate until paid or forfeited. Payment received by mail and postmarked on or before the required due date is not delinquent.

If an Illinois resident who is a member of the Illinois National Guard or a reserve component of the armed forces of the United States and who has an ownership interest in property taxed under this Act is called to active duty for deployment outside the continental United States and is on active duty on the due date of any installment of taxes due under this Act, he or she shall not be deemed delinquent in the payment of the installment and no interest shall accrue or be charged as a penalty on the installment until 180 ~~30~~ days after that member returns from active duty. Sec. 21-30. Accelerated billing. Except as provided in this Section, Section 9-260, and Section 21-40, in counties with 3,000,000 or more inhabitants, by January 31 annually, estimated tax bills setting out the first installment of property taxes for the preceding year, payable in that year, shall be prepared and mailed. The first installment of taxes on the estimated tax bills shall be computed at 50% of the total of each tax bill for the preceding year. If, prior to the preparation of the estimated tax bills, a certificate of error has been either approved by a court on or before November 30 of the preceding year or certified pursuant to Section 14-15 on or before November 30 of the preceding year, then the first installment of taxes on the estimated tax bills shall be computed at 50% of the total taxes for the preceding year as corrected by the certificate of error. These bills shall set out total taxes due and the amount of estimated taxes billed in the first installment, and shall state the balance of taxes due for that year as represented by the sum derived from subtracting the amount of the first installment from the total taxes due for that year.

The county board may provide by ordinance, in counties with 3,000,000 or more inhabitants, for taxes to be paid in 4 installments. For the levy year for which the ordinance is first effective and each subsequent year, estimated tax bills setting out the first, second, and third installment of taxes for the preceding year, payable in that year, shall be prepared and mailed not later than the date specified by ordinance. Each installment on estimated tax bills shall be computed at 25% of the total of each tax bill for the preceding year. By the date specified in the ordinance, actual tax bills shall be prepared and mailed. These bills shall set out total taxes due and the amount of estimated taxes billed in the first, second, and third installments and shall state the balance of taxes due for that year as represented by the

sum derived from subtracting the amount of the estimated installments from the total taxes due for that year.

Sec. 21-310. Sales in error.

(a) When, upon application of the county collector, the owner of the certificate of purchase, or a municipality which owns or has owned the property ordered sold, it appears to the satisfaction of the court which ordered the property sold that any of the following subsections are applicable, the court shall declare the sale to be a sale in error:

(1) the property was not subject to taxation, or all or any part of the lien of taxes sold has become null and void pursuant to Section 21-95 or unenforceable pursuant to subsection (c) of Section 18-250 or subsection (b) of Section 22-40,

(2) the taxes or special assessments had been paid prior to the sale of the property,

(3) there is a double assessment,

(4) the description is void for uncertainty,

(5) the assessor, chief county assessment officer, board of review, board of appeals, or other county official has made an error (other than an error of judgment as to the value of any property),

(5.5) the owner of the homestead property had tendered timely and full payment to the county collector that the owner reasonably believed was due and owing on the homestead property, and the county collector did not apply the payment to the homestead property; provided that this provision applies only to homeowners, not their agents or third-party payors,

(6) prior to the tax sale a voluntary or involuntary petition has been filed by or against the legal or beneficial owner of the property requesting relief under the provisions of 11 U.S.C. Chapter 7, 11, 12, or 13, ~~or~~

(7) the property is owned by the United States, the State of Illinois, a municipality, or a taxing district, ~~or~~

(8) the owner of the property is a reservist or guardsperson who is granted an extension of his or her due date under Sections 21-15, 21-20, and 21-25 of this Act.

(b) When, upon application of the owner of the certificate of purchase only, it appears to the satisfaction of the court which ordered the property sold that any of the following subsections are applicable, the court shall declare the sale to be a sale in error:

(1) A voluntary or involuntary petition under the provisions of 11 U.S.C. Chapter 7,

11, 12, or 13 has been filed subsequent to the tax sale and prior to the issuance of the tax deed.

(2) The improvements upon the property sold have been substantially destroyed or rendered uninhabitable or otherwise unfit for occupancy subsequent to the tax sale and prior to the issuance of the tax deed.

(3) There is an interest held by the United States in the property sold which could not be extinguished by the tax deed.

(4) The real property contains a hazardous substance, hazardous waste, or underground storage tank that would require cleanup or other removal under any federal, State, or local law, ordinance, or regulation, only if the tax purchaser purchased the property without actual knowledge of the hazardous substance, hazardous waste, or underground storage tank. This paragraph (4) applies only if the owner of the certificate of purchase has made application for a sale in error at any time before the issuance of a tax deed.

(c) When the county collector discovers, within one year after the date of sale if taxes were sold at an annual tax sale or within 180 days after the date of sale if taxes were sold at a scavenger tax sale, that a tax sale should not have occurred for one or more of the reasons set forth in subdivision (a)(1), (a)(2), (a)(6), or (a)(7) of this Section, the county collector shall notify the last known owner of the certificate of purchase by certified and regular mail, or other means reasonably calculated to provide actual notice, that the county collector intends to declare an administrative sale in error and of the reasons therefor,

[May 11, 2005]

including documentation sufficient to establish the reason why the sale should not have occurred. The owner of the certificate of purchase may object in writing within 28 days after the date of the mailing by the county collector. If an objection is filed, the county collector shall not administratively declare a sale in error, but may apply to the circuit court for a sale in error as provided in subsection (a) of this Section. Thirty days following the receipt of notice by the last known owner of the certificate of purchase, or within a reasonable time thereafter, the county collector shall make a written declaration, based upon clear and convincing evidence, that the taxes were sold in error and shall deliver a copy thereof to the county clerk within 30 days after the date the declaration is made for entry in the tax judgment, sale, redemption, and forfeiture record pursuant to subsection (d) of this Section. The county collector shall promptly notify the last known owner of the certificate of purchase of the declaration by regular mail and shall promptly pay the amount of the tax sale, together with interest and costs as provided in Section 21-315, upon surrender of the original certificate of purchase.

(d) If a sale is declared to be a sale in error, the county clerk shall make entry in the tax judgment, sale, redemption and forfeiture record, that the property was erroneously sold, and the county collector shall, on demand of the owner of the certificate of purchase, refund the amount paid, pay any interest and costs as may be ordered under Sections 21-315 through 21-335, and cancel the certificate so far as it relates to the property. The county collector shall deduct from the accounts of the appropriate taxing bodies their pro rata amounts paid.

The Department shall establish by rule a means for the verification of completion of the continuing education required by this Section. This verification may be accomplished through audits of records maintained by registrants, by requiring the filing of continuing education certificates with the Department, or by other means established by the Department. ~~The Department may select a qualified organization that has no direct business relationship with a licensee, licensed entity or a subsidiary of a licensed entity under this Act to maintain and verify records relating to continuing education.~~

A license issued under the provisions of this Act that has expired while the holder of the license was engaged (1) in federal service on active duty with the Army of the United States, the United States Navy, the Marine Corps, the Air Force, the Coast Guard, or any Women's Auxiliary thereof, or the State Militia called into the service or training of the United States of America, or (2) in training or education under the supervision of the United States preliminary to induction into the military service, may be reinstated or restored without the payment of any lapsed renewal fees, reinstatement fee, or restoration fee if within 2 years after the termination of such service, training, or education other than by dishonorable discharge, the holder furnishes the Department with an affidavit to the effect that he or she has been so engaged and that his or her service, training, or education has been so terminated.

The Department, in its discretion, may waive enforcement of the continuing education requirement in this Section and shall adopt rules defining the standards and criteria for that waiver under the following circumstances:

- (a) the licensee resides in a locality where it is demonstrated that the absence of opportunities for such education would interfere with the ability of the licensee to provide service to the public;
- (b) that to comply with the continuing education requirements would cause a substantial financial hardship on the licensee;
- (c) that the licensee is serving in the United States Armed Forces; or
- (d) that the licensee is incapacitated due to illness.

The continuing education requirements of this Section do not apply to a licensee who (i) is at least 62 years of age ~~before January 1, 1999~~ or (ii) has been licensed as a cosmetologist, cosmetology teacher, or cosmetology clinic teacher for at least 25 years ~~and does not regularly work as a cosmetologist, cosmetology teacher, or cosmetology clinic teacher for more than 14 hours per week.~~

PRESENTATION OF RESOLUTIONS

Senator Maloney offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 188

WHEREAS, The Ms. Foundation for Women established Take Our Daughters to Work Day in 1993 to introduce girls to the opportunities available to them in the world of work; and

WHEREAS, The program has since evolved to become Take Our Daughters and Sons to Work Day, a chance for children to experience work opportunities and to discuss the challenges of participating fully in work, family, and the community; and

WHEREAS, The Foundation estimates that between six to ten million boys and girls across the country participated in Take Our Daughters and Sons to Work Day this year, with support for the program's goals from many school districts; and

WHEREAS, Take Our Daughters and Sons to Work Day has been traditionally held on the third Thursday in April since its creation; and

WHEREAS, This date is also a school day in most Illinois school districts; and

WHEREAS, The date is the same as that for the administration of the Prairie State Achievement Exam for high school juniors; and

WHEREAS, Participation in Take Our Daughters and Sons to Work Day is significant enough that many teachers consider the day a "lost instruction day" due to student absences; and

WHEREAS, Schools and school districts are being held more accountable for student performance since the implementation of the federal No Child Left Behind Act of 2001; and

WHEREAS, State aid to school districts is tied to school districts' average daily attendance; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we commend the Take Our Daughters and Sons to Work program for its contribution to education and the lives of children; and be it further

RESOLVED, That we encourage the scheduling of Take Our Daughters and Sons to Work Day on a school holiday, institute day, or during the summer when the program will not disrupt children's attendance or the classroom schedule of the schools.

[May 11, 2005]

Senator Sandoval offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 189

WHEREAS, The Constitution of the State of Illinois provides for "the health, safety and welfare of the people" and the "opportunity for the fullest development of the individual"; and

WHEREAS, Four thriving Illinois nurse-midwifery homebirth practices have closed or discontinued homebirth services in the past ten years; and

WHEREAS, One of these practices, Alivio Medical Center in Chicago's Pilsen neighborhood, combined the services of nurse-midwives and direct-entry midwives to provide innovative and culturally-sensitive homebirth services for an under-served, low-income, low-literacy, Mexican-American and immigrant community (93 percent Medicaid patients) and was recognized by the American College of Nurse Midwives' Kitty Ernst Award in 1998, and won the Unicef Safe Motherhood Initiative-USA Model Awards in 1999 and 2000; and

WHEREAS, Seventeen Illinois direct-entry midwifery homebirth practices have closed following the issuance of cease and desist orders in 1997; and

WHEREAS, While the above-mentioned closing of the midwifery practices occurred for a variety of reasons, including the malpractice crisis and the issuance of cease and desist orders, the overall impact on families is a detrimental reduction of maternity care options; and

WHEREAS, Legally recognized homebirth practices (nurse-midwifery and/or physician practices) are found in only 5 of 102 Illinois Counties (Cook, Bureau, DuPage, Lake, and Winnebago counties), and all of these practices are located in the northern half of the State; and

WHEREAS, According to a survey of Illinois birth certificates, in 2003, 738 Illinois births occurred without a trained birth attendant (neither a medical person nor a midwife); and

WHEREAS, Unattended birth is less safe than birth attended by trained providers; and

WHEREAS, All well-designed homebirth studies show that for women with low-risk pregnancies, planned homebirth attended by a trained maternity care provider is as safe as hospital birth; and

WHEREAS, Oprah Winfrey, J. D. Salinger, Roseanne Barr, Frank Sinatra, Elvis Presley, Duke Ellington, Mother Theresa, Albert Einstein, Andy Warhol, U.S. Senator Orrin Hatch, and Presidents Calvin Coolidge, Ronald Reagan, Gerald Ford, Richard Nixon, and John F. Kennedy were all born at home; and

WHEREAS, Cindy Crawford, Rikki Lake, Demi Moore, Lucy Lawless, Meryl Streep, Lisa Bonet, Carol King, Pamela Anderson, Jade Jagger, and Kelly Preston have all given birth at home; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that the Senate finds it unacceptable that many Illinois mothers are without adequate maternity care providers; and be it further

RESOLVED, That it is in the State's best interest to ensure access to all safe maternity care options; and be it further

RESOLVED, That the Senate recognizes that home births are a healthy method of delivering babies; and be it further

RESOLVED, That Illinois families, in order to best meet personal needs and desires, should be free to choose among all safe, nationally recognized maternity care options, including free-standing birth

centers and home birth; and be it further

RESOLVED, That as the General Assembly grapples with solving the crisis in OB/GYN service, the roles of midwives be included in the discussion.

Senator Winkel offered the following Senate Resolution, which was referred to the Committee on Rules:

SENATE RESOLUTION NO. 190

WHEREAS, On May 12, 1905, Governor Charles S. Deneen signed legislation authorizing the creation of the Illinois State Geological Survey to study, inventory, and report on the geology and mineral resources of the State; and

WHEREAS, On May 12, 2005, the Illinois State Geological Survey is beginning a year-long celebration of its one hundred years of service to the people of Illinois; and

WHEREAS, During the past one hundred years, the Illinois State Geological Survey has published thousands of geological maps and scientific articles, reports, and educational materials that have established the agency's reputation as one of the premier geological research and scientific service institutions in North America; and

WHEREAS, The members of the General Assembly, recognizing the importance and economic value to the people of obtaining reliable, unbiased information about Illinois' valuable earth resources, including groundwater, coal, oil and gas, and industrial minerals, and about the potential hazards that may come from natural events such as earthquakes, landslides, and floods, have continued to support the Illinois State Geological Survey through annual appropriations throughout the past century; and

WHEREAS, Economic studies have demonstrated that each dollar invested in producing detailed geological maps by the Illinois State Geological Survey and making them available to the public has returned between twenty-five and thirty-nine dollars to the economy of the State through reduced costs for environmental cleanups, exploring for earth resources, and safe-siting of waste disposal facilities, industries, and critical infrastructure; and

WHEREAS, The geologists at the Illinois State Geological Survey are continuing to serve the people of Illinois by creating detailed geological maps of the rapidly urbanizing areas of the State where the needs are greatest, and by creating three-dimensional computer models of the complexly layered glacial deposits that cover all but the southernmost parts of the State, to help local officials locate and protect groundwater aquifers, find the best sites for industrial development, properly plan necessary urban and suburban growth, route highways and other modes of transportation, and build other infrastructure; and

WHEREAS, The scientific experts at the Illinois State Geological Survey are developing new technologies and studying the State's geology in order to make the State of Illinois the recognized leader in "cradle-to-grave" management of fossil fuel resources so that our citizens and the nation may ultimately enjoy the possibility of using the State's abundant coal and oil and gas resources in a pollution-free manner; therefore, be it

RESOLVED, BY THE SENATE OF THE NINETY-FOURTH GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that we do hereby proclaim May 12, 2005, Illinois State Geological Survey Day to honor the beginning of that institution's Centennial Celebration and urge the people of Illinois to support and participate in the many public events and activities to be held during the coming year in celebration of that Centennial; and be it further

RESOLVED, That Illinois State Senators and their staffs are encouraged to meet the scientists, technicians, and administrators of the agency on the first floor of the State House on May 17, 2005, to learn about some of the scientific projects currently being pursued by the Survey for the benefit of the people and industries of Illinois; and be it further

[May 11, 2005]

RESOLVED, That a suitable copy of this resolution be presented to the agency for display at its headquarters building in Champaign, Illinois.
