PRESIDENT:

Madam Secretary, let's hold up just a minute, catch your breath. Ladies and gentleman, as we are...continuing to introduce bills, the Chair would just like to point out that there are slips available at the Secretary's Desk here to indicate your desire to be a cosponsor of any legislation that has already been introduced or will be introduced. I think it will facilitate Floor action if we can rather than have the members...popping up to indicate their desire to cosponsor, if you'll just take some of those slips and fill them out, return them to the Secretary, the appropriate recording will then happen at the Legislative Information Service and ultimately in the Digest. Senator O'Daniel, for what purpose do you seek recognition, sir?

SENATOR O'DANIEL:

Mr. President, members of the Senate,...point of personal privilege.

PRESIDENT:

State your point.

SENATOR O'DANIEL:

...I'd like to recognize...seventy seventh grade students and their instructors from Olney in Richland County in the...in the gallery to my rear....Like for them to be recognized.

PRESIDENT:

Will our guests please stand and be recognized. Welcome to Springfield. And I'm sure the members will recall that a former member, now a member of Congress, was from Olney, Senator Terry Bruce. I understand his daughter is with the group and we certainly...nice to see her again. Will you stand up, Ellen and

Executive. Senator Geo-Karis, for what purpose do you arise?

SENATOR GEO-KARIS:

Mr. President, I had filed a resolution memorializing Congress to...opposing the closing of Fort Sheridan and Chanute Air Base and I wasn't given a number because we weren't still organized, I

guess. And time is of the essence because they're going to...they're debating these...this situation...and Senator Dixon is for keeping those places open, and I wonder if I could suspend the rules and have immediate consideration of this resolution because of the time factor?

PRESIDENT:

All right, I think that that request is in order. We'll try to accommodate...we're just trying to locate what number it might be. Madam Secretary, if you can put that on the board. Senator Geo-Karis has moved to suspend the rules for the purpose of the immediate consideration of Senate Resolution 171. All in favor of the motion to suspend indicate by saying Aye. All opposed. The Ayes have it. The rules are suspended. On the question, Senate Resolution 171, Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr. President and Ladies and Gentlemen of the Senate, this is a very critical situation right now in the United States Congress. We have support of Senator Alan Dixon trying to set aside the mandate by the commission which was not geographically properly appointed, as far as I'm concerned to look into phasing out of bases and forts. Illinois only has about eight military installations with a population of twelve million people. The Southern States have fifteen installations with only two and a half million population in each of them. And I think it's high time that we support Senator Dixon and our Congressmen and particularly Ed Madigan, to keeping Fort Sheridan alive and Chanute Air Base alive.

PRESIDENT:

I'm sorry, we have the wrong resolution. Wait till...wait till we find the right one. All right...it is a Senate joint resolution.

Mr. President?

PRESIDENT:

Yes, Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr. President, Ladies and Gentlemen of the Senate, it's Senate Joint Resolution 23. I urge your favorable, unanimous consideration because...we just spent twenty million dollars, for example, at Fort Sheridan to up grade it and now they want to phase it out. Chanute Air Base has about four thousand employees. We don't want any more unemployment in Illinois and I ask for favorable consideration of this resolution.

PRESIDENT:

All right, Senator Geo-Karis has moved to suspend the rules for the purpose of the immediate consideration and adoption of Senate Joint Resolution 23. All in favor of the motion to suspend indicate by saying Aye. All opposed. The Ayes have it. The rules are suspended. Senator Geo-Karis now moves the adoption of Senate Joint Resolution 23. All in favor indicate by saying Aye. All opposed. The ayes have it. The resolution is adopted. Further resolutions, Madam Secretary.

And I have a Senate Resolution 186 offered by Senators Davidson, Philip, Woodyard, Rigney and Dudycz...offered by...pardon me,...and it is also substantive.

PRESIDENT:

All right, Executive Committee. Senator Watson, for what purpose do you seek recognition?

SENATOR WATSON:

Thank you Mr. President. Just a point...on one of those resolutions, Mr. President, it's honoring Red Schandees who is from German town and who has been elected to the Hall of Fame and of course a former St. Louis Cardinal and a current Cardinal, and I'm sure that you'd like to be added as...as all members of the Senate, as cosponsors of that resolution honoring Red Schandees.

PRESIDENT:

That request is in order. I believe that shows on the Consent Calendar, does it not, Madam Secretary? So, with leave of the Body, we'll ask the Secretary to appropriately note that all members will certainly cosponsor...the resolution commending Red Schandees. Senator Dudycz, for what purpose do you arise, sir?

SENATOR DUDYCZ:

Thank you, Mr. President. Mr. President, I move we suspend the appropriate rules for the immediate consideration of Senate Resolution Number 184.

SENATOR HALL:

Thank you, Mr. President. I just wanted to call the attention that Appropriations II Joint House and Senate Special Temporary Committee will meet at 2:00 P.M. in Room 212 and the subject matter is "OBRA 87," so just wanted to call that...everyone is invited.

PRESIDENT:

Senator Watson, for what purpose do you arise?

SENATOR WATSON:

Thank you, Mr. President. I'd like to make a motion that Senate Bill 14 and Senate Bill 188 be Tabled, both of which I am chief sponsor.

PRESIDENT:

That's progress, that's three today. The gentleman has moved that Senate Bills 14 and 188 lie upon the Table. He is the sponsor of those two bills. All in favor of that motion, which is always in order, indicate by saying Aye. All opposed. The Ayes have it. The motion carries and Senate Bills 14 and 188 are Tabled at the request of the sponsor. All right, Senator Dudycz, we're just trying to get a copy of this. Okay? We'll get right...right at you. Senator Jacobs, for what purpose do you seek recognition?

SENATOR JACOBS:

Thank you, Mr. President. If it's in order, I'd like to have a change of lead sponsor.

Okay.

PRESIDENT:

Senator Dudycz has moved this Body that the rules be suspended for the immediate consideration of Senate Resolution 184. All in favor of the motion to suspend indicate by saying Aye. All opposed. The Ayes have it. The rules are suspended. Senate Resolution 184...all right, Senator Dudycz, the Chair will just take the...the affirmative action of the Senate to...to reflect that the...the proper motion apparently would be to discharge the Committee on Executive from further consideration of Senate Resolution 184 and suspend the rules for its immediate consideration. All in favor of that motion indicate by saying Aye. All opposed. The Ayes have it. The motion carries. On the resolution, Senate Resolution 184, Senator Dudycz.

SENATOR DUDYCZ:

Thank you, Mr. President. Ladies and Gentleman of the Senate, Senate Resolution 184 deals with the recent controversial exhibit at the Art Institute of Chicago where the American Flag was displayed on the floor. What the resolution does is three things: first of all, it urges the school of the Art Institute of Chicago to publicly apologize to the citizens of the United States for allowing the blatant desecration of the flag by displaying the exhibition entitled, "What is the Proper Way to Display the American Flag?" Second of all, it requests the school of the Art Institute of Chicago to clarify its future policy on sensitive matters such as the display of the American Flag or the degrading portrait of the late mayor, Harold Washington, in order to ensure that it's decisions are consistent and equitable in the future. And, finally, it encourages the Illinois Arts Council to defer State funding to the school until these issues are resolved. I ask for every Senator's support and I welcome any and all of you

to join me as a cosponsor of Senate Resolution 184. And I ask leave also to have Senator Hudson added as a sponsor of the...of the resolution.

PRESIDENT:

All right. The gentleman, seeks leave to add Senator Hudson as a cosponsor of Senate Resolution 184. Without objection, leave is granted. Further...discussion on the motion to adopt? Senator Geo-Karis.

SENATOR GEO-KARIS:

Mr. President and Ladies and Gentlemen of the Senate, I wholeheartedly support this resolution because I don't care what artistic value may be involved, but there is no artistic value in having the American Flag as a floor mat. And I certainly urge everyone's support of this fine resolution.

PRESIDENT:

All right, any further discussion? If not, Senator Dudycz has moved the adoption of Senate Resolution 184. All in favor indicate by saying Aye. All opposed. The ayes have it. The resolution is adopted. Introduction of bills, Madam Secretary.

PRESIDENT:

All the bills that were just read in will be referred, obviously, to the Committee on Assignment of Bills. The Chair would point out that tomorrow is the last day under the rules as adopted for the introduction of bills. So, of necessity, we will be here...I think it's fair to say that Senator Weaver and I will...there, in our judgement, there will not be any necessity for any roll call vote of any kind, tomorrow. So that those members who have other pressing obligations back in their district, I'm sure if they have...have made the arrangement to have their bills introduced...or will be introduced, I don't think there is any necessity for all of us to be here. I will be here and we're going to adjourn now until nine o'clock tomorrow morning. And the order of business will be the introduction of bills.
