SECRETARY HARRY:

House Bill 809.

(Secretary reads title of bill)

3rd Reading of the bill.

PRESIDENT PHILIP:

Senator Woodyard.

SENATOR WOODYARD:

Thank you, Mr. President. Members of the Senate, House Bill 809 is the Band-Aid for...

PRESIDENT PHILIP:

Could we have some order please? Senator Woodyard. SENATOR WOODYARD:

House Bill 809 is -- is kind of the -- the first step or the Band-Aid approach to resolving the Amtrak situation. This bill does not deal with the Governor's proposals that were announced yesterday for a longer-term situation with Amtrak. This bill, as an appropriation bill, deals only with subsidizing the Amtrak trains from the end of February to the first of July. The other part of what we are going to do with Amtrak will be debated both in the House and the Senate in the Appropriations Committees and it may or may not be changed from the Governor's proposal. That's beside the point. We had to have this appropriation of two and а half million dollars or those trains will stop the last of this month. And I think it's too important to not only a lot of communities, to the State, and to the universities served by those lines to keep these trains going through, at least, the first of July, and hopefully on past that. Over forty percent of the ridership on these trains happen to be students. А high percentage, nearly eighty percent, of those students that ride

## 74th Legislative Day

February 8, 1996

these trains are from the metropolitan area in the northeastern sector of the -- of the State. So I -- I think it's imperative for all of us to support this two and a half million dollars. It is General Revenue Fund; I certainly know that. And -- and yet, it's our only alternative at this point in time to keep these trains running to the -- to the end of the fiscal year. With that, I'd be glad to answer any questions, or solicit your support for House Bill 809.

## PRESIDENT PHILIP:

Senator Demuzio. SENATOR DEMUZIO:

...Mr. President. Thank you -- thank you very much, Mr. President. I -- Senator Woodyard, I had one question that just popped up here, and I -- I think I know the answer, and the compromise that was worked out. One day -- the trains are only going to run six days and one day the train is -- is not going to run: I understand that decision has not been made. Who makes that decision?

# PRESIDENT PHILIP:

Senator Woodyard. SENATOR WOODYARD:

Well, I guess, Senator Demuzio, my only answer could be that we will eventually make that final decision and -- and... Senator Donahue tells me that the local corridors will eventually make that decision.

PRESIDENT PHILIP:

Senator Demuzio. SENATOR DEMUZIO:

Well, thank you. I rise in support of this legislation. And it's about -- I guess, it's about as good as we're going to get. So, I, in fact, hope that when they look at the -- the date, that it's not a weekend - not a Saturday or a Sunday - in terms of the

## 74th Legislative Day

February 8, 1996

day that they're going to eliminate at some point, and that there is some criteria that is established to make sure that it's a -- a day, I guess, when there's less ridership or -- or whatever. But that -- lead it as it may, I do rise in support of -- of your bill this morning.

PRESIDENT PHILIP:

Senator Donahue.

## SENATOR DONAHUE:

Well, thank you, Mr. President, Ladies and Gentlemen of the Senate. Senator Demuzio, just to answer your question. We've been told that, yes, IDOT will be involved in this, but the local corridors will be able to have input into which days will best serve what their needs are. I rise in strong support of this piece of legislation. I think many of you know that this -- the Amtrak service into my area, the Illinois Zephyr, is absolutely critical. It's the only form of public transportation that comes into my region. And it's important to Western Illinois University because of the students that travel from the metropolitan area down to our area. But I want all of the metropolitan Legislators to understand that the people from Quincy and Macomb and Galesburg, and wherever, travel to the metropolitan area for business and to spend their money. So it works both ways. You've got people coming from your area to ours, and our area to vours, and it's a critical connection. And I just ask for your support. It's an important piece of legislation.

PRESIDENT PHILIP:

Senator Demuzio. SENATOR DEMUZIO:

... you, Mr. President. I neglected, Senator Woodyard, to indicate to you that I was lobbied very hard on this bill by the Mayor of Carlinville, Brad Demuzio. PRESIDENT PHILIP:

74th Legislative Day

February 8, 1996

Senator Fawell. SENATOR FAWELL:

Thank you very much. For the edification of the Members: Number one, this was a compromise. The original cost for those of us who live north of I-80 was considerably more. We did manage to work out a compromise. And, Senator Demuzio, it is going to be the -- that day that they are taking out will be based on ridership. They -- they have the figures on -- on the ridership each day, and that's what it's basically going to be based on. PRESIDENT PHILIP:

Senator Cullerton, for what purpose do you rise? SENATOR CULLERTON:

To debate the bill. PRESIDENT PHILIP:

Wonderful.

SENATOR CULLERTON:

I -- thank you, Mr. President, Members of the Senate. I also would rise in support of this measure and echo the remarks of Senator Donahue. These trains, when they come into Chicago, they end up in my district. And I agree with Senator Donahue that this is the -- something which we should look at from the point of view of the entire State, not just one region benefitting. Because the -- as she indicated, people come to and from Chicago to these other communities, they spend money, they -- they go to school down in those areas, they come up and shop in Chicago. And it's -- it's an example of how we should look upon things as a statewide benefit, not just a regional benefit, and I think we should expand this concept to other -- other -- other bills that . come before us in the General Assembly.

PRESIDENT PHILIP:

Senator Dillard. SENATOR DILLARD:

74th Legislative Day

February 8, 1996

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I join with Senator Cullerton in saying that this is a good measure for all of Illinois, and I rise in support of it. But I do want to remind the Members, and I've told a -- a few of our colleagues on this side of the aisle, that I do hope that when we look at mass transit and railroad travel in general, that people put things in perspective. My constituency in suburban Chicago happen to ride Metra most of the time to and from work. And iust to put things in perspective, in a half an hour during rush hour, either in the morning or afternoon in Chicago, there are more constituents or people from the State of Illinois riding Metra in a half-an-hour time period than there are that ride these trains all year long. And I join because I do things that are right for the State of Illinois and my constituents ride these trains and they're vital, but I want to remind especially those Members of this Body from downstate Illinois, that more people in a half an hour ride Metra, and we do subsidize Metra and mass transit; that there are needs for those of us who live in suburban Chicago with respect to railroad travel, too. And another reason that it is important that we fund mass transit, particularly Metra, in the suburban Chicago area is that you downstaters care about road funds, and we don't want to build any more roads with our money in metropolitan Chicago, and mass transit, like Metra, keeps us from tapping into the Road Fund as much as you downstaters probably don't want us to do. So I rise in support of this, and just want you all to remember that Metra is an important rail activity in the State of Illinois, as well. Thank you.

PRESIDENT PHILIP:

Senator Bowles.

# SENATOR BOWLES:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. I, too, rise in support of this bill. We have been trying and

74th Legislative Day

February 8, 1996

attempting to address mass transit kind of transportation in our area and we look forward to being able to do that. This is a step in the right direction as far as the entire State of Illinois is concerned and certainly indicates a concern for those people who would be utilizing the -- the Amtrak convenience. Thank you. PRESIDENT PHILIP:

Senator Luechtefeld.

# SENATOR LUECHTEFELD:

Thank you, Mr. President and Ladies and Gentlemen of the -- of the Senate. Obviously, Carbondale in particular, is -- it is important to Carbondale as it is to any other place in the State, and I -- I simply would like to -- would like to thank people on both sides of the aisle for their support of this issue. PRESIDENT PHILIP:

-----

Senator Jacobs.

# SENATOR JACOBS:

Thank -- thank you, Mr. President, Ladies and Gentlemen of the Senate. I don't have Amtrak in my area, but I think it's a bill that everyone should vote for, and call for the previous question. PRESIDENT PHILIP:

Senator Fawell, for the second time.

# SENATOR FAWELL:

Thank you, Mr. President. I apologize for rising a second time. I would just like to correct my -- my colleague's - Senator Dillard's - remarks. We subsidize the RTA. Eighty percent of that subsidy goes to the CTA, twenty percent goes to Pace, and none goes to Metra. So when Metra comes down, I hope everybody remembers that.

## PRESIDENT PHILIP:

If there's no further discussion, Senator Woodyard, to close. SENATOR WOODYARD:

Thank you, Mr. President, Members of the Senate. Well, I

74th Legislative Day

February 8, 1996

won't prolong this, except to say that, as I indicated early on, this will keep those Amtrak lines running through the first of July. The other debates dealing with scheduling or restricting of service or -- or those things, we're going to have some time to do that. But I think it's imperative right now to pass this appropriation bill of two and a half million dollars to make sure that we retain that service and have some time to come up with some other proposals. Thank you. PRESIDENT PHILIP:

Question is, shall House Bill 809 pass. Those in favor will vote Aye. Those opposed, Nay. The voting is open. Have you all voted who wish? Have you all voted who wish? Take the record. On the question, there are 54 Ayes, 1 Nay, 1 voting Present, and 3 not voting. House Bill 809, having received the required constitutional majority, is declared passed. Senator Donahue, for what purpose do you rise? SENATOR DONAHUE:

Well, thank you, Mr. President. I rise on a point of information, I think.

PRESIDENT PHILIP:

State your point.

# SENATOR DONAHUE:

I'd like to state that Senator Maitland is in Washington, D.C., today, on official business. PRESIDENT PHILIP:

The record will so indicate. Senator Demuzio. SENATOR DEMUZIO:

Also along those same lines, Senator Carroll is still absent because he's out of State at the symposium. Out of the... PRESIDENT PHILIP:

The record will so indicate. ...have your attention please. We intend on doing the adjournment resolution and then a death

resolution, the Consent Calendar, and then leave the Clerk's Office open for the introduction of bills. And just to bring you up-to-date, there's some rumors going around in regards to what we're doing when we come back on the 20th, 21st and 22nd. The resolution says we will be back on the 21st and 22nd. So we have knocked off one day when you come back in February. We'll not be in Session on the 20th. Senator Demuzio.

# SENATOR DEMUZIO:

Point of clarification. So you're going to remain open today for the introduction of bills. Tomorrow's a perfunctory day; no one will be here, but it's the last day for introduction. Any idea how long the Clerk's Office will remain open tomorrow for bills to be introduced?

## PRESIDENT PHILIP:

I suppose it'll be determined by the volume of bills. They will -- as long as we know they're coming up and they're going to be introduced, we will stay open, Senator. Probably mid-afternoon. Senator Demuzio. SENATOR DEMUZIO:

Well, then, our staff will be in communication with the -with the Clerk's Office then, to make sure that we have ample time. Thank you.

# PRESIDING OFFICER: (SENATOR DUDYCZ)

# SENATOR BERMAN:

Thank you, Mr. President. All of us who have been involved in politics from time to time meet people who have a very profound impact on our political, and sometimes personal, lives. I was very fortunate to have met Marshall Korshak early in my political career. And probably the words that I'm saying today could be echoed by my seatmate Senator Carroll, and probably by the other sponsor - principal sponsor - of this resolution, Senator Palmer. As we heard from the Secretary of the Senate, here was a man whose political career spanned decades. He served in this Body for twelve years, from 1951 through 1963. He loved politics. Не loved public service. He was a mentor to every person who had the slightest interest in public service. He was a class act. He was a gentleman. And he always gave of himself, to encourage people to get involved in public service. He was a unique person, and I think that today with a lot of the negativism that we see in politics, his ability to bridge gaps stood out and would stand out even more so today. He was one of the leading members of the Democratic organization in Cook County when the word "organization" meant something. And even though he was а Democratic committeeman, and in those days the power of а Democratic committeeman was -- you couldn't measure the strength yet, of those people, and Marshall Korshak, Democratic committeeman, had the recognition, support, respect of the independent voting organizations. And I -- in thinking back to those years of the fifties and the sixties, in particular, where the independents and the machine kept battling at each other, Marshall stood out, because he was above the fray. He -- wanted to serve his community, his State and his country all of his life. And whether it was as a very successful attorney or as a person who held all of these very significant public positions and appointments, he was a man that did each of us great pride because

74th Legislative Day

February 8, 1996

of his compassion and his dedication. He was a person that each of us are proud to say was a State Senator. Many of us are very, very proud to say he was our mentor and friend. We will miss Marshall Korshak. Thank you, Mr. President.
